Techniques and Innovations in Gastrointestinal Endoscopy

Overview

Techniques and Innovations in Gastrointestinal Endoscopy (TIGE) provides a comprehensive overview of clinical conditions and gastrointestinal endoscopic procedures. Each issue of TIGE focuses on the pathophysiology of select conditions and technical performance of gastrointestinal procedures for management of these conditions, in combination with best practices, expert opinion and innovations. Regular features include reviews and peer-reviewed original research by world-renowned experts in the field of gastrointestinal endoscopy. Videos are included to maximize the clinical applicability of TIGE’s content.

1. Applicability

These terms and conditions shall apply to offers, proposals, agreements made between Elsevier and any third party or its agent(s) (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services"); and along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "Agreement"). The Client shall not be entitled to assign the Agreement or any part thereof without the prior written consent of Elsevier. Elsevier may assign any part of the Agreement to any person or entity, on any terms.

2. Compliance with laws

The Client shall be solely responsible for collecting from its customers amounts due in respect of the Products, ensuring full and correct billing of its own losses resulting from any uncollected amounts. Delays or failures in obtaining such payments will not affect Elsevier's obligation to make payments to the Client under clauses 4, 5 and 6.

3. Intellectual property

All events and acts committed by the Client in providing the Services must comply with any applicable laws, rules, industry codes, regulations and generally prevailing custom and practice. Elsevier shall not be liable for any breach or infringement of any intellectual right or copyright of any third party.

4. Distribution

Unless otherwise agreed in writing, Elsevier may not be able to arrange for such copy to be published on the agreed date or for the agreed period. Payment may be in advance, partial or in advance against the agreed period, where agreed. Products shall be at the Client's risk as from delivery. The Client shall make payment in full within thirty (30) days of the invoice date without deduction or set-off. Products and Services supplied by Elsevier to the Client shall remain Elsevier's legal and beneficial title in any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until Elsevier has received full payment and delivery of the Products. Products shall be supplied subject to the Client's order being confirmed in writing by the Client. The Client shall retain a complete copy of all materials and relevant correspondence with Elsevier in respect of any purchase for its own records.

5. Payment

Unless otherwise agreed in writing, Elsevier shall be entitled to refuse to supply any Client who has exceeded its current credit limits. Legal and beneficial title to any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until full payment and delivery of the Products or Services. Any returns of the Products shall be subject to the relevant Elsevier company's return policy. Reprints cannot be returned once these have been printed.

6. Force majeure

Force majeure means the failure of the Client to act in good faith in performing the Agreement due to any cause beyond its reasonable control, including, but not limited to, acts of God, wars, embargoes, labor disputes, strikes, fires, floods, national emergencies, official or governmental decrees, acts or omissions of third parties, the Client's inability to secure or obtain materials or services, or any other lawful or unlawful cause, whether foreseeable or not, whether or not arising out of or related to the Agreement. The Client shall be entitled to suspend performance of the Agreement and any other contract or agreement existing between the Client and Elsevier or any Officer of Elsevier.

7. Audit

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to Elsevier to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client or commissions performance of the Services. Each order for the Products and/or Services is subject to availability and prior written acceptance by Elsevier. Any variation to the TC and any representations about the Products and Services shall have no effect unless explicitly agreed to writing and signed by an authorized signatory of Elsevier. Nothing in the TC shall exclude or in any way limit Elsevier's liability for fraudulent misrepresentation. When Products are sold to the Client that contain third party software or product such sale may be subject to additional license terms.

8. Claims and complaints

Claims and complaints about the quality or performance of the Products or Services shall be made in writing to Elsevier within such a period as Elsevier shall specify from the date of delivery of the Products or invoice date of the Services. Any such claims or complaints shall be in writing and accompanied by a copy of the invoice or purchase order, as applicable.

9. Endoscopy

Elsevier reserves the right to modify the space or alter the date or position of insertion or make any other alteration, the Client will have no right to cancel the order or refuse delivery of the products or services.

10. General

Notwithstanding any provision of the Agreement to the contrary, the Client shall not be entitled to assign the Agreement or any part thereof without the prior written consent of Elsevier. Elsevier may assign any part of the Agreement to any person or entity, on any terms.

11. Revision

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to Elsevier to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client or commissions performance of the Services. Each order for the Products and/or Services is subject to availability and prior written acceptance by Elsevier. Any variation to the TC and any representations about the Products and Services shall have no effect unless explicitly agreed to writing and signed by an authorized signatory of Elsevier. Nothing in the TC shall exclude or in any way limit Elsevier's liability for fraudulent misrepresentation. When Products are sold to the Client that contain third party software or product such sale may be subject to additional license terms.
