Overview

Pathology is the official journal of the Royal College of Pathologists of Australasia (RCPA). It is committed to publishing peer-reviewed, original articles related to the science of pathology in its broadest sense, including anatomical pathology, chemical pathology and biochemistry, cytopathology, experimental pathology, forensic pathology and morbid anatomy, genetics, haematology, immunology and immunopathology, microbiology and molecular pathology.

**ELSEVIER TERMS AND CONDITIONS OF SUPPLY**

1. **Applicability**
   - These terms and conditions shall apply to offers, proposals, and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier (the "Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous communications, discussions, or other negotiations between the Client and Elsevier. The Client shall not be entitled to rely on any prior communications, discussions, or other negotiations between the Client and Elsevier. Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier modifies the price, there shall be no claim or counterclaim against Elsevier for any difference in price.

2. **Duties and obligations**
   - Each party hereto shall comply with all applicable laws, rules and regulations, and other requirements relating to the performance or contemplated performance of the Services or Products, and shall make all necessary arrangements, such as obtaining any necessary consents, authorizations, permits, or licenses.

3. **Distribution**
   - If no dates are so specified, delivery/performance will be within a reasonable time. All product orders are accepted subject to availability of the ordered products and services. Elsevier reserves the right to substitute products of comparable quality and price if the ordered products or services are not available. Products and services shall be delivered to the address indicated in the order. The Client shall make all necessary arrangements for the receipt, acceptance, and inspection of the Products or Services upon delivery. The Client shall make all claims for non-conformity or defects immediately after delivery. The Client shall keep the Products or Services in good condition and accept the risk of damage from that time forward.

4. **Intellectual property**
   - Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier modifies the price, there shall be no claim or counterclaim against Elsevier for any difference in price.

5. **Payment**
   - All payments to Elsevier shall be made in accordance with the terms and conditions of the TC and shall be made as specified in the invoice. Payment shall be deemed to have been made only when Elsevier has received cleared funds for the full amount of the invoice.

6. **Audit**
   - In the event of an audit by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, or unenforceability, be null and void and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or receiving payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier. From the due date of the invoice to the date of payment in full, interest at the rate of 5% per annum shall be payable by the Client to Elsevier. If, under the laws of any territory in which Client is selling the Products, the Client is required to withhold any tax or payment payable to Elsevier under the TC, from the amount of the payment will be automatically increased to fully cover such withholding tax or other amount actually withheld or remitted by the Client.

7. **Execution and modification of the order**
   - Any changes to the order or any modifications to the order shall be made in writing and signed by authorized representatives of the Client and Elsevier. Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier modifies the price, there shall be no claim or counterclaim against Elsevier for any difference in price.

8. **Force majeure**
   - If, by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, or any act of God, war, hostilities, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part, the time for performing such services or delivering such Products shall be extended to a reasonable time as determined by the party, and neither party shall be liable for any delay or failure to perform resulting from such causes.

9. **General and conditions**
   - Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier modifies the price, there shall be no claim or counterclaim against Elsevier for any difference in price.
