JSES International

Overview

JSES International is the official open access and online-only publication for eleven leading specialty organizations, this authoritative journal is the only open access publication to focus exclusively on medical, surgical, and physical techniques for treating injury/disease of the upper extremity, including the shoulder girdle, arm, and elbow. Clinically oriented and peer-reviewed, the Journal provides an international forum for the exchange of information on new techniques, instruments, and materials.

1. Applicability

These terms and conditions shall apply to offers and proposals, agreements made in writing, and any other third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous version of these terms and conditions. For the purposes of this TC, trademarks, service marks, trade names and trade dress are referred to in the singular as a mark or in the plural as marks. All marks are registered in the name of Elsevier and its affiliates. The § symbol indicates that where a term, phrase, or number is defined in these terms and conditions, it shall be given the meaning indicated. The following terms shall have the meaning indicated:

- "Order": means an order for the Products and/or Services which includes a description of the Products and/or Services to be supplied and their price, and which is accepted by Elsevier;
- "Products": means a book, journal, database, subscription, table, instrument, or other product or service commercialised by Elsevier,
- "Services": means any business service supplied by Elsevier;
- "Price": means the price for the Products and/or Services under an Order;
- "Client":
