1. Applicability
These terms and conditions shall apply to all proposals, offers and agreements made between the Client and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Product(s) and/or Service(s)") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. For the purposes of this TC, "order" shall mean any order placed by the Client with Elsevier within the英才群集团 in proposing the Products or Services as set out in the Elsevier order acknowledgment or invoice. Where general terms and conditions of business are proposed by the Client, these shall not apply and the TCs prevail. Any variations to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraud, personal injury or death, or for any other matter which cannot be excluded or limited under applicable laws.

2. Offer and acceptance/ Description
Each order for the Products and Services from the Client shall be deemed to be an offer by the Client to purchase the Products and Services subject to the terms and conditions set out in the Elsevier order acknowledgment. The Client will receive a written acknowledgement of order detailing the relevant terms and conditions of the sale that are to apply. Unless otherwise agreed, Elsevier shall have the right to reject any order and to refuse to supply any of the Products and Services. For the purposes of this TC, "Customer" shall mean the party to whom Elsevier is supplying the Products and Services.

Each order placed by the Client shall be deemed to be a representation to Elsevier that the Client has the authority to place the order and to bind the Client to the terms and conditions agreed. No advertising orders will be accepted for periods longer than one year. Where an order for a series of advertisements is cancelled, the Client agrees to pay to Elsevier the amount actually remitted to Elsevier, net of all taxes, equals the amount invoiced or otherwise due. The Client will be solely responsible for the cost of completing any foreign exchange related transactions in the currency that are necessary to the Client in order to recover payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier.

4. Prices, taxes and currencies
Prices shall be at Elsevier's current price list in effect at the date of receipt of written notice of cancellation. Prices shall be in the currency of the applicable Elsevier invoice. All financial transactions must be settled in the currency of the applicable Elsevier invoice. The Client will be solely responsible for the cost of completing any foreign exchange related transactions in the currency that are necessary to the Client in order to recover payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier.

Orders must specify a definite schedule of insertions, issues and sizes of space for a specified period. Where general terms and conditions apply to a specific order, the Client shall agree in writing only to the terms specified in the order. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.
