Immuno-Oncology and Technology

Overview

Immuno-Oncology and Technology (IOTECH) is sister journal to Annals of Oncology and ESMO Open and the most recent addition to the European Society for Medical Oncology’s portfolio of world-class journals. By publishing high quality original research articles, reviews, perspectives, technology explained papers, letters to the editor and editorials, IOTECH aspires to provide a forum for today’s leaders in the field of Immuno-Oncology.

Contact your sales representative for all digital advertising rates and opportunities.
Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are or have been made in the ordinary course of business or the execution or performance of a contract provided that such payments are permissible under the Applicable Law. In no event shall Elsevier’s liability exceed the amount actually tendered by Client, the limit of which is then the amount set forth in the then current order. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any such violation of this representation and warranty, Elsevier shall be entitled to recover immediately, without posting any bond, any and all sums which are or which become due to Elsevier from the Client on any account.

8. Liability and claims

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is supplying the Products or Services. The parties agree to submit to the jurisdiction of the courts of that country.

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party and/or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous agreements between the parties for the "TC". Any modifications to the TC must be in writing signed by an authorised signatory of Elsevier. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any such violation of this representation and warranty, Elsevier shall be entitled to recover immediately, without posting any bond, any and all sums which are or which become due to Elsevier from the Client on any account.

9. Force majeure

The Client agrees that its personal subscriptions in a representative capacity, for the account and use of no more than one identified individual subscriber, is to be cancelled upon the Client's written request. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any such violation of this representation and warranty, Elsevier shall be entitled to recover immediately, without posting any bond, any and all sums which are or which become due to Elsevier from the Client on any account.

10. Advertising & Reprints

The Client shall be entitled to reject any order for reprints of material that has not been published. Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional Services, the price for such Services will be determined by Elsevier and will be charged to the Client according to the then current order. If, at the request of the Client, Elsevier renders additional Services, the price for such Services will be determined by Elsevier and will be charged to the Client according to the then current order. If, at the request of the Client, Elsevier renders additional Services, the price for such Services will be determined by Elsevier and will be charged to the Client according to the then current order.
