Heart Rhythm O2

Overview

Heart Rhythm O2 is the newest online-only, open-access publication of the Heart Rhythm Society. With a focus on cardiac arrhythmias and electrophysiology, Heart Rhythm O2 publishes original clinical and experimental research, review articles, points-of-view, images and short reports focusing on new technologies, commentaries and letters to the editor. All articles will be peer reviewed. As an open access journal, Heart Rhythm O2 serves as a major venue for sharing the latest research and technologies for electrophysiologists and allied health professionals from around the world.

1. Applicability

These terms and conditions shall be subject to, and shall be applied to, proposals, agreements made up to any third party or its/them ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreement between the parties for the products and services described, both orally and in writing, and shall be governed by the laws of the corporate domicile of the Elsevier company which is providing the Products or Services. By signing this TC, the Client acknowledges and accepts that any material, information or content included in the Products or Services shall not be reproduced, distributed, transmitted, or exploited for any purpose unless expressly agreed in writing and signed by an authorised signer of Elsevier. Where nothing in the TC contains or conflicts with the terms of an order, the order shall prevail.

2. General

2.1 The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the exclusive jurisdiction of the courts of that same corporate domicile. The

3. Compliance with laws

3.1 ETOC Metrics: 12 Month Average of eTOC sends - July 2022 to June 2023

7. Intellectual property

7.1 The Client shall (a) cooperate with Elsevier concerning the copies of the Products; (b) inform Elsevier of the Users to whom it will deliver the Product or Service; (c) use the Products or Services in accordance with the spirit of Elsevier's proposal, publications, and other terms and conditions; and (d) notify Elsevier of any use of the Products or Services that violates the restrictions set forth in this TC or the Terms and Conditions of Use. The Client shall (a) agree in writing to ensure that any copy of the Products or Services is not used for other purposes or in other respects for which Elsevier has not consented in writing; (b) reproduce only copies of the Products or Services that Elsevier shall make available to the Client; (c) copy only what Elsevier shall make available to the Client; and (d) forward any copy of the Products or Services to any third party only upon the express written consent of Elsevier.

8. Liability and claims

8.1 The Client shall use reasonable care and skill in the performance of this TC. The Client shall be liable to Elsevier for any loss or damage suffered by Elsevier in connection with this TC, including the costs and expenses incurred by Elsevier in connection with the Client's breach of this TC.

9. Force majeure

9.1 Notwithstanding the provisions of this TC, Elsevier shall not be liable for any failure or delay in the performance of the TC caused by circumstances beyond its reasonable control, including but not limited to Acts of God, strikes, lockouts, computer viruses, war, civil instability, and other events beyond the reasonable control of Elsevier.
