HeartRhythm Case Reports

Overview

HeartRhythm Case Reports provides rapid online electronic publication of the most important current case reports, illustrations, and educational vignettes in the field of cardiac arrhythmias and electrophysiology. The Journal publishes case reports and series devoted to the diagnosis and treatment of heart rhythm disorders, as well as the electrophysiology of the heart and blood vessels. All articles are peer-reviewed. The Journal is published online only with open access and available on PubMed Central.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire understanding between the parties (the "TC"). They supersede any previous understandings between the parties.

2. Offer and acceptance/Description
Each order for the sale or supply of any Products or Services shall be treated as a separate offer to purchase.

3. Payment
Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are or become due and payable in connection with the products or Services or the execution or performance of a contract provided that such payments are permissible under the Applicable Law.

4. Intellectual property
Copyright and other intellectual property rights in all Elsevier publications, applications and other works or Services shall remain with Elsevier unless agreed otherwise in writing.

5. Liability and claims
The Client will not be liable for any of the following losses which may arise by reason of breach of contract or breach of warranty, whether express or implied: (a) loss of profit or expected future business; (b) damage to reputation or goodwill; (c) any damage to property, whether movable or immovable, directly or indirectly related to the Client's action; or (d) any damage which results in the suspension or loss of any business or contracts between the Client and any third party.

6. Force majeure
If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part the terms of this TC, the party shall be excused from performing any or all of its obligations under this TC to the extent of such inability, without liability for damages.

7. Applicability of law
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire understanding between the parties (the "TC"). They supersede any previous understandings between the parties.

8. Offer and acceptance/Description
Each order for the sale or supply of any Products or Services shall be treated as a separate offer to purchase.

9. Payment
Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are or become due and payable in connection with the products or Services or the execution or performance of a contract provided that such payments are permissible under the Applicable Law.

10. Intellectual property
Copyright and other intellectual property rights in all Elsevier publications, applications and other works or Services shall remain with Elsevier unless agreed otherwise in writing.

11. Liability and claims
The Client will not be liable for any of the following losses which may arise by reason of breach of contract or breach of warranty, whether express or implied: (a) loss of profit or expected future business; (b) damage to reputation or goodwill; (c) any damage to property, whether movable or immovable, directly or indirectly related to the Client's action; or (d) any damage which results in the suspension or loss of any business or contracts between the Client and any third party.
