HeartRhythm Case Reports

Overview

HeartRhythm Case Reports provides rapid online electronic publication of the most important current case reports, illustrations, and educational vignettes in the field of cardiac arrhythmias and electrophysiology. The Journal publishes case reports and series devoted to the diagnosis and treatment of heart rhythm disorders, as well as the electrophysiology of the heart and blood vessels. All articles are peer-reviewed. The Journal is published online only with open access and available on PubMed Central.

1. Applicability

These terms and conditions shall apply to offers, proposals, and communications made to the Client by or on behalf of the Publisher ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties ("the TC"). They supersede any previous or contemporaneous written or oral statements or representations, whether oral or written, between the parties.

2. Client

"Client" shall mean the party which has ordered the Products and/or Services as set out in the relevant Elsevier order acknowledgement.

3. Publisher

"Publisher" shall mean Elsevier Limited or any successor in title to the business of publishing of Elsevier.

4. TCs

"Qualified TCs" shall mean any qualified terms and conditions as defined by Elsevier.

5. Payment

Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency named on the invoice. The Client must pay all amounts due to Elsevier without deduction or set-off of any nature, whether by way of set-off, counterclaim, discount, abatement or otherwise.

6. Distribution

If at the time of placing an order the Client requests Elsevier to resell the Products or Services before ownership has passed to it provided that any sale shall be effected in the ordinary course of business for the Client's own account and the Publisher shall not be responsible for the terms of sale or the accuracy of any invoice or other document proffered to the Client by the purchaser. Elsevier shall be entitled to resell the Products on the basis of cost to the Client, reasonably incurred.

7. Liability

To the maximum extent permitted by relevant laws Elsevier, its employees shall not be liable to the Client for any damages, losses, costs, expenses, or other liabilities of any nature incurred by the Client, whether of a contractual, tortious, or other nature, in connection with any breach of the TC, including but not limited to any advertisements or promotions which the Client is entitled to reject. Nothing in the TC shall exclude or limit Elsevier's liability in respect of fraud, personal injury or death, or any other liability which cannot be excluded or limited by law.

8. Use of the Products

The Client may use the Products for its own business purposes and may not use, lend, sell, resell, rent, lease, sublicense, assign, transfer, distribute, or otherwise dispose of the Products or their copies for any other purpose or with any other rights.

9. Refunds

Any refund to Client a pro rata portion of the fee which Client has paid to Elsevier for display of the Advertising Content in the event of a breach of Condition 8.2.3.2 above. Otherwise, no refunds will be made.

10. Standing orders

Invoices are due and payable on the date shown on the invoice. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations. The Client agrees to pay all amounts due to Elsevier on or before the due date of each invoice.

11. Client's rights

The Client may resell the Products before ownership has passed to it provided that any sale shall be effected in the ordinary course of the Client's business for full market value and any such sale shall be a sale of the Client's property on the Client's own behalf and shall be treated as principal when making such a sale.

12.终止

The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier may terminate this TC at any time in the event of a breach of any of the terms of the TC. Elsevier shall be entitled to cease the distribution of the products or services to the Client in the event of such a breach.

13. Governing law

The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such contact or Government Official to accept, to give or to reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

14. General

In consideration of the Client retaining the right to cancel the order for that advertisement, if the alterations requested are unacceptable, unless such changes are to be made at the Client's expense.

15. Liability and claims

Subject to the liabilities and exclusions set out in this Condition 11, Elsevier shall, unless it has been proven to the reasonable satisfaction of Elsevier that the Client has contributed to the occurrence or increase of the loss, damages, claims, or causes of action, including reasonable legal fees and expenses incurred by Elsevier, not be liable to the Client for any direct or indirect, special or consequential, incidental or punitive damages, whether in contract, tort or otherwise, resulting from the failure of any of the Products or Services to conform to any description.

16. Distribution

The Client may assign or delegate any of the rights, powers, or obligations of the Client under this TC to any third party, subject to written notice to Elsevier.

17. Price and terms

Publication or use of the Products or Services and/or any part of them is expressly prohibited, unless the Client has agreed to a specific price for publication or use in the relevant order acknowledgement.

18. General terms and conditions

Either party shall give not less than thirty (30) days' written notice to the other party of any change or variation to the Conditions. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier; upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring the Client to disclose all recipients of the Products or Services from Client, including all actual recipients that have not been previously identified by Elsevier. Elsevier shall commercially reasonable efforts to comply with descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, design, code and of address, weight, and frequency. The Client, subject to the conditions and limitations set forth in this TC, shall not make any alteration, whatever the reason, to any advertisement submitted to Elsevier in writing.

19. Governing law

The Client shall not be entitled to make any alteration to any advertisement submitted to Elsevier in writing, except as permitted by law.
