HeartRhythm Case Reports

Overview

HeartRhythm Case Reports provides rapid online electronic publication of the most important current case reports, illustrations, and educational vignettes in the field of cardiac arrhythmias and electrophysiology. The Journal publishes case reports and series devoted to the diagnosis and treatment of heart rhythm disorders, as well as the electrophysiology of the heart and blood vessels. All articles are peer-reviewed. The Journal is published online only with open access and available on PubMed Central.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to all proposals, offers and communications made in writing between the parties and/or their third party representatives ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the TC"). These terms expressly supersede any previous agreement or understanding between the parties.

2. Execution and modification of the order
Any modifications to the description of the products or services, budget or schedule, as set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional services than those agreed, the price and/or delivery schedule shall be adjusted accordingly.

3. Price
Unless otherwise agreed by Elsevier in writing, the prices for the Products and Services set out in Elsevier's price list or quotation are exclusive of any value-added tax or local sales tax, unless otherwise stated. Where such prices are exclusive of any value-added tax or local sales tax, Elsevier shall be entitled to increase such prices by an amount equal to the amount of any such tax so levied.

4. Liability and claims
Client acknowledges that solutions of this representation and warranty will survive the termination of this Agreement and, with respect to any claims relating to representations and warranties, shall be deemed to include all claims arising thereunder.

5. Force majeure
In the event of an event of force majeure, the party so affected shall notify the other party immediately in writing, state the nature of the event of force majeure and the circumstances under which the party so affected is unable to perform the obligations set forth in this TC, and indicate the period for which the performance of the obligations is thereby suspended.

6. Payment
The Client shall remit the invoice amount to Elsevier in accordance with the payment terms specified on the invoice. Payment shall be deemed to have been made only upon receipt in full in cleared funds at Elsevier's bank. Invoices may include amounts for taxes, duties, or other governmental charges.

7. Plagiarism
The Client is solely responsible for ensuring that the Products are free of plagiarism. Elsevier shall not be liable for any plagiarism or other copyright infringement.

8. Ownership
Unless otherwise agreed in writing, ownership in all Products remains with Elsevier until full payment has been made. All Products shall be at the Client's risk from the time when the Products are delivered to the Client. The Client shall make all reasonable efforts to ensure the safe custody and safekeeping of the Products after delivery. These terms and conditions shall be deemed to be a Bill of Sale of the goods to the Client.

9. Auditor
Audit of any branch office of Elsevier shall be at the Client's cost and expense. Any such audit shall be conducted by an independent qualified accountant and at the Client's expense. The Client shall pay all fees and expenses incurred by Elsevier in connection with any such audit.

10. Audit
Audit access shall be at all reasonable times. Elsevier may inspect the Client's premises and business operations at any time and shall have the right to reproduce any information obtained in connection with such an audit.

11. Assembly, maintenance, and repair
The Client is responsible for assembly, maintenance, and repair of the Products. Elsevier shall not be liable for any such services or duties.

12. Compliance with laws
The products are designed and manufactured in accordance with all applicable laws, regulations, and industry codes, and the Client shall ensure that the use and operation of the Products comply with all applicable laws and regulations.

13. Force majeure
In the event of an event of force majeure, the party so affected shall notify the other party immediately in writing, state the nature of the event of force majeure and the circumstances under which the party so affected is unable to perform the obligations set forth in this TC, and indicate the period for which the performance of the obligations is thereby suspended.

14. Payment
The Client shall remit the invoice amount to Elsevier in accordance with the payment terms specified on the invoice. Payment shall be deemed to have been made only upon receipt in full in cleared funds at Elsevier's bank. Invoices may include amounts for taxes, duties, or other governmental charges.

15. Plagiarism
The Client is solely responsible for ensuring that the Products are free of plagiarism. Elsevier shall not be liable for any plagiarism or other copyright infringement.

16. Ownership
Unless otherwise agreed in writing, ownership in all Products remains with Elsevier until full payment has been made. All Products shall be at the Client's risk from the time when the Products are delivered to the Client. The Client shall make all reasonable efforts to ensure the safe custody and safekeeping of the Products after delivery. These terms and conditions shall be deemed to be a Bill of Sale of the goods to the Client.

17. Auditor
Audit access shall be at all reasonable times. Elsevier may inspect the Client's premises and business operations at any time and shall have the right to reproduce any information obtained in connection with such an audit.

18. Assembly, maintenance, and repair
The Client is responsible for assembly, maintenance, and repair of the Products. Elsevier shall not be liable for any such services or duties.

19. Compliance with laws
The products are designed and manufactured in accordance with all applicable laws, regulations, and industry codes, and the Client shall ensure that the use and operation of the Products comply with all applicable laws and regulations.

20. Force majeure
In the event of an event of force majeure, the party so affected shall notify the other party immediately in writing, state the nature of the event of force majeure and the circumstances under which the party so affected is unable to perform the obligations set forth in this TC, and indicate the period for which the performance of the obligations is thereby suspended.
