ESLIEVER TERMS AND CONDITIONS OF SUPPLY

1. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). Any reference to these terms and conditions shall mean without limitation the various terms and conditions published by Elsevier in its current price list(s) whether print or online. All such price lists shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of any taxes, import duties or other taxes imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide to Elsevier's VAT registration number or other value added tax exemption to Elsevier at the time of placing its order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the amounts payable to Elsevier under the TC, the Client shall either: (i) deduct such tax at source and credit the same to Elsevier; or (ii) pay the amount incorporated in the invoice after deduction of such tax. The Client authorizes Elsevier to charge the Client with interest, at the then applicable interest rate, on any amount actually remitted to Elsevier by the Client in respect of any tax withheld.

2. Offer and acceptance/ Description

The Client shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. For all Product orders all Products are subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products or Services from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for valid personal use. Client acknowledges that violation of this representation and warranty will cause irrevocable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to discontinue all recipients of the Products and Services from Elsevier, including all actual recipients that have not previously been properly identified by Client. Elsevier shall use commercially reasonable efforts to comply with descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing, processes, technical design, and size of addressable file and the like. All drawings, descriptive matter, specifications and advertising issued by Elsevier and any descriptions or illustrations contained in Elsevier’s catalogues or brochures are issued solely for the sole purpose of giving an approximate description of the Products and Services described therein. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design character of the Products and Services, cannot be considered a reason for rejecting the order, as the case may be, for the order price.

3. Modification and execution of order Any modifications to the agreed product or service price, budget, schedule or order is not in the order acknowledged, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall at the request of, and at the cost of, and at the risk of the Client. Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate and time for delivery/performance shall not be made of the essence of the order. If no dates are so specified, delivery/performance will be made at Elsevier’s discretion. All prices quoted are subject to change without any prior written notice. If the Client is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of any liability to any other party. The party subject to an event of force majeure shall not make such party liable to any other party. The subject party shall promptly notify Elsevier of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law (as defined in the previous paragraph) or by operation of any treaty, law or practice. No advertising orders will be accepted for periods longer than one year. Where an order is placed for insertion of a Client’s advertising and/or terminate this TC if Elsevier determines, in its sole discretion, that the Advertising Standards Board of Canada has imposed any discipline or restrictions on the advertising or marketing materials of the Client.

4. Prices, taxes and currencies

prices shall not be made of the essence. Elsevier shall be entitled to demand payment in advance and may refuse to deliver the Product if the Client has not paid in advance. Where the Client is indebted to Elsevier for any other Product or service, the Client may not assign, transfer or sublicense the right without the prior written permission of Elsevier. The rights granted by Elsevier are non-exclusive and for the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights in the Products. The terms of any other Elsevier proposals, publications or products may be stored in any automated data base and/or reproduced, whether electronically, mechanically, by photostatting, recording or in any other manner for free, without the specific prior written permission of Elsevier.
