Overview

Physica Medica, European Journal of Medical Physics, publishing with Elsevier from 2007, provides an international forum for research and reviews on the following main topics:

- Medical Imaging
- Radiation Therapy
- Radiation Protection
- Measuring Systems and Signal Processing
- Education and training in Medical Physics
- Professional issues in Medical Physics.

Contributions on other topics related to Applications of Physics to Biology and Medicine and in particular related to new emerging fields such as Molecular Imaging, Hadrontherapy, System biology, Nanoparticles and Nanotechnologies, etc. are strongly encouraged.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any person or third party ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, unless otherwise agreed in writing, shall stand in lieu of, and shall not be limited by, any general terms and conditions. Neither Elsevier nor the Client shall be bound by any terms and conditions included in any order, purchase, or other document sent by the Client or by the Client’s representatives or agents. These terms and conditions shall apply to any offer, acceptance, and subsequent confirmation of order for the Products and/or Services, and shall remain in effect until superseded in writing by Elsevier. Subject to the provisions of these terms and conditions, these terms and conditions shall be deemed accepted by the Client upon acceptance of delivery of the Products and/or Services.

2. Offer and acceptance
Offer and acceptance of any order for the Products and/or Services by the Client to Elsevier shall be deemed to be made by the Client subject to and only upon the terms and conditions herein set forth. No variation or change of any kind, and no document other than the invoice acknowledging delivery, shall be deemed to amend or modify the price, terms and conditions to which the Client is bound by any invoice acknowledging delivery. If the Client wishes to return any sums paid to Elsevier, it shall be bound to do so in writing.

3. General
The Client shall engage, reproduce, or reproduce any reproduction of the Products or any other products of Elsevier or its affiliates, or sell it directly or indirectly, facilitate or allow any other party to engage in such activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarisation of the Products by any third party. The Client is solely responsible for collecting from its customers or users the amounts due and owing to Elsevier under the terms of the products or services purchased by it. The Client shall not acquire any intellectual property rights in the Products or Services purchased by it. The Client shall not assign or sub-assign the Products or Services without the prior written consent of Elsevier. Elsevier shall act in accordance with the Client's instructions and the Client shall pay Elsevier for the Products and Services provided in accordance with the terms and conditions herein set forth. The Client is solely responsible for any and all costs, charges, or expenses incurred by the Client in connection with the purchase, use, operation, or maintenance of the Products or Services purchased by it. The Client is solely responsible for any and all costs, charges, or expenses incurred by the Client in connection with the purchase, use, operation, or maintenance of the Products or Services purchased by it.

4. Price, terms and payment
Unless otherwise agreed in writing by Elsevier in the price list for the Products and/or Services, the Client shall be entitled to pay the price set out in the invoice acknowledging delivery. The Client shall pay all sums due and owing to Elsevier in full, free of any deduction or set-off, and in accordance with the terms and conditions herein set forth. The Client shall pay all sums due and owing to Elsevier in full, free of any deduction or set-off, and in accordance with the terms and conditions herein set forth.

5. Warranty
The Client shall provide the Client with the invoice acknowledging delivery. The invoice acknowledging delivery shall be deemed to be an acknowledgement of the receipt of the Products and/or Services by the Client. The Client shall be deemed to have accepted the Products and/or Services if the Client does not return any Products and/or Services within the time specified in the invoice acknowledging delivery. The Client shall be deemed to have accepted the Products and/or Services if the Client does not return any Products and/or Services within the time specified in the invoice acknowledging delivery.

6. Distribution
The Client shall only deal with the Products or Services as set out in the invoice acknowledging delivery. The invoice acknowledging delivery shall be deemed to be an acknowledgement of the receipt of the Products and/or Services by the Client. The Client shall be deemed to have accepted the Products and/or Services if the Client does not return any Products and/or Services within the time specified in the invoice acknowledging delivery. The Client shall be deemed to have accepted the Products and/or Services if the Client does not return any Products and/or Services within the time specified in the invoice acknowledging delivery.

7. Intellectual property
The Client shall not assign or sub-assign the Products or Services without the prior written consent of Elsevier. Elsevier shall act in accordance with the Client's instructions and the Client shall pay Elsevier for the Products and Services provided in accordance with the terms and conditions herein set forth. The Client is solely responsible for any and all costs, charges, or expenses incurred by the Client in connection with the purchase, use, operation, or maintenance of the Products or Services purchased by it. The Client is solely responsible for any and all costs, charges, or expenses incurred by the Client in connection with the purchase, use, operation, or maintenance of the Products or Services purchased by it.
