8. Liability and claims
The Client is responsible for collecting from its customers amounts due in respect of the sale of the Products and/or Services, excluding the cost of carriage, insurance and packaging. Delays or failures in obtaining such payments will not affect the Client’s obligation to pay the price under the TC.

9. Force majeure
If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other act of elements, war, civil disturbance, fire or other appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations under the TC, it will give prompt notice thereof to the other party and shall thereupon be excused from such performance or non-performance to the extent of such event to the extent possible. Except as otherwise provided in the TC, Elsevier’s liability under the TC shall be nil in such event.
