Clinical Simulation in Nursing

Overview

Clinical Simulation in Nursing (CSN) is an international, peer-reviewed journal published online monthly. CSN is the official journal of the International Nursing Association for Clinical Simulation & Learning (INACSL) and reflects the mission of INACSL to advance the science of healthcare simulation.

The journal accepts the following types of manuscripts:

— Research articles and literature reviews (e.g. systematic, scoping, umbrella, integrative, etc.) about simulation

— Innovative teaching/learning strategies using simulation

— Articles updating guidelines, regulations, and legislative policies that impact simulation

— Leadership for simulation

— Simulation operations

— Clinical and academic uses of simulation

1. Applicability
These terms and conditions shall apply to offers, proposals, and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreement between the parties for the topic.

2. Offer and acceptance/Description
This shall mean that the order shall be placed in writing by the Client to Elsevier. All such orders are subject to Elsevier's order acknowledgement. Any variations to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation. Neither Products nor advertising space may be transferred to, or given to, a third party without a written authority in such terms, and the Client agrees in such terms.

3. General
Monthly average web metrics based on the period of July 2022 to June 2023

8. Force majeure
If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, war, terrorism, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part the obligations under the TC, such party shall be relieved of its obligations and liabilities under the TC, and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or collecting any of its rights under the TC shall not be deemed a waiver of any of its rights under the TC.

5. Price, taxes and exchange
Unless otherwise agreed by Elsevier in writing, the prices for the Products and Services shall be based on the costs incurred up to and including the date of delivery. The prices shall be subject to the relevant applicable law, including without limitation, all taxes and duties. Where Products are sold to the Client that contain third party product or software such tax may be subject to additional terms.

7. Intellectual property
Elsevier may not be able to arrange for such copy to be published on the agreed date or for the agreed period. Payment for such copy must be received before the Closing Date. Copy run in previous issue may be inserted. The Client shall retain a complete copy of all materials delivered to Elsevier. Elsevier shall take reasonable care but shall not be liable for accidental loss or damage thereto. The Client warrants to Elsevier, and Elsevier shall be entitled to enforce this warranty on behalf of itself and its customers, that the products, processes, techniques, design, code and/or content of address, file formats, and the like. All drawings, descriptive matter, specifications and advertising text or Elsevier's eTOC and eTOC syndications or illustrations contained in Elsevier's catalogues or brochures are issued or published for the sole purpose of giving an accurate description of the Products and Services described therein. They shall form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for re-copying or -delivery or -payment of books or shall not affect the realization of the Client's obligation to pay as outlined in the TC.
