Clinical Simulation in Nursing

Overview

*Clinical Simulation in Nursing (CSN)* is an international, peer-reviewed journal published online monthly. *CSN* is the official journal of the International Nursing Association for Clinical Simulation & Learning (INACSL) and reflects the mission of INACSL to advance the science of healthcare simulation.

The journal accepts the following types of manuscripts:

— Research articles and literature reviews (e.g. systematic, scoping, umbrella, integrative, etc.) about simulation

— Innovative teaching/learning strategies using simulation

— Articles updating guidelines, regulations, and legislative policies that impact simulation

— Leadership for simulation

— Simulation operations

— Clinical and academic uses of simulation

1. Applicability
These terms and conditions shall apply to offers, proposals, publications and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or Services (the “Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the “TC”). These terms supersede any previous terms and conditions of any similar nature as set out in the Elsevier order acknowledgement. Where general terms and conditions of business are prepared by the Client, these shall not apply, and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exculpate or limit Elsevier’s Liability for fraud or fundamental breach of contract.

2. Offer and acceptance
Described in the TC shall be the order placed by the Client to the products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [Please add Elsevier’s offer acceptance process, including the right to cancel the order for that advertisement, if the alterations requested are unacceptable, unless such changes are at the Client’s request and expense.]

3. Suspension and cancellation of the order
The Client shall not have the right to change and/or cancel the order for the Products or Services except by written notice to Elsevier. Except in the case of emergency, the right to cancel or suspend a contract of supply or Services or contract between Elsevier and a Customer, including all actual or potential arrangements that have not been previously agreed upon by Elsevier. Elsevier shall commercially reasonable efforts to comply with its obligations under the Products and Services agreed by both parties in the relevant order, including such things as the production, prepress, design, layout, and color of the cover, as well as the content and style of the text.

4. Prices, taxes and currency
Unless otherwise agreed by Elsevier in writing the price(s) for the Products and Services shall be in Elsevier’s current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of all taxes, import duties or other levies imposed on the sale or supply of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate.

5. Financial and reporting requirements
Elsevier may request the Client, at its discretion, to provide any documentation required for tax purposes related to the supply of the Products and Services, from the Client’s account or any other entity of which the Client is an agent, and represents and warrants that it is purchasing the Products and Services from Elsevier for the Client’s account or one of its more recently identified institutional subscribers or as such if the agency to be performed, unless agreed otherwise in writing. The Client shall provide Elsevier with any evidence of tax exemption to Elsevier at the time of placing its order. If, under the laws of the territory in which the Client is located, a tax is charged by the Client or the Client’s agent, and represents and warrants that it is purchasing the Products and Services from Elsevier for the Client’s account or one of its more recently identified institutional subscribers or as such if the agency to be performed, unless agreed otherwise in writing.

6. Liability and claims
A claim made by a third party against the Client for any infringement of a patent, trademark, copyright, trade secret or other intellectual property rights, shall be the responsibility of the Client, and Elsevier shall not be liable for any such claims.

7. Confidentiality
The Client shall not disclose to any third party any information of a confidential nature received from Elsevier in connection with the Products or Services, except for any information that Elsevier discloses to the Client in connection with the Products or Services. The Client shall assign and hereby does assign to Elsevier all rights and interests in the Products and Services that were or may be created by the Client, and the Client shall execute any agreements or instruments as may be necessary to confirm or give effect to such assignment. The Client shall not make any use of the Products or Services except in the manner provided herein.

8. Audit
Audit, unless otherwise agreed by Elsevier, shall be carried out by Elsevier at any time and the Client shall provide all reasonable assistance to Elsevier in connection with such audit. The Client shall provide Elsevier with such information and documentation as Elsevier reasonably requires to audit the Client’s accounts and to effect the audit. The Client shall reimburse Elsevier for any reasonable expenses incurred by Elsevier in connection with such audit. Any information disclosed to Elsevier in connection with such audit shall be considered to be confidential information of Elsevier.

9. Payment
Claims for invoices rendered by Elsevier shall be paid within thirty (30) days of the invoice in the currency named therein. Invoices rendered by Elsevier shall be paid within thirty (30) days of the invoice. The Client shall pay Elsevier the full invoice amount within thirty (30) days from the date of issue, unless agreed otherwise in writing. Payment shall be made by cheque, bank draft or bank transfer in such currency and in such manner as Elsevier may require. Elsevier shall not be liable for any loss or damage incurred by the Client in connection with the use of the Products and Services by the Client, unless agreed otherwise in writing.

10. Guarantee and security
If Elsevier guarantees performance of the Products and Services, it shall be entitled to a reasonable security in respect of the amount guaranteed and the right to suspend performance of the Products and Services if the Client fails to provide such security. The Client shall indemnify Elsevier for any loss or damage incurred by Elsevier in connection with the provision of such security.

11. Audit
Audit, unless otherwise agreed by Elsevier, shall be carried out by Elsevier at any time and the Client shall provide all reasonable assistance to Elsevier in connection with such audit. The Client shall provide Elsevier with such information and documentation as Elsevier reasonably requires to audit the Client’s accounts and to effect the audit. The Client shall reimburse Elsevier for any reasonable expenses incurred by Elsevier in connection with such audit. Any information disclosed to Elsevier in connection with such audit shall be considered to be confidential information of Elsevier.

12. Employee’s rights
The Client shall not engage, hire, employ, retain or otherwise make available to the Client any of Elsevier’s employees, agents, consultants or contractors, or any other person or entity, without the prior written approval of Elsevier. The Client shall not use any of Elsevier’s trade secrets, know-how, processes, or other proprietary information or intellectual property rights without Elsevier’s prior written consent. The Client shall not disclose any of Elsevier’s trade secrets, know-how, processes, or other proprietary information or intellectual property rights to any third party without Elsevier’s prior written consent. The Client shall indemnify Elsevier for any loss or damage incurred by Elsevier in connection with the provision of such information.

13. Rights to use
The Client shall not make any use of the Products or Services other than in accordance with the terms and conditions of the TC.

14. Indemnity
The Client shall indemnify and save Elsevier harmless against all actions, claims, lawsuits, demands, costs, expenses, losses, damages and liabilities of any kind, direct or indirect, whether in contract, tort or otherwise, which arise out of or in connection with the Client’s use or possession of the Products and Services, or the Client’s failure to comply with any of the terms and conditions of the TC.

15. Trading names
Where the Client is trading under a trading name, the Client shall, at all times, ensure that it is trading under a trading name that is not registered or protected by any trademark or trade name that is similar to or confusingly similar to the name of any other person or entity. The Client shall not use any trademarks or trade names that are similar to or confusingly similar to the name of any other person or entity.

16. Assignment, sale or transfer
The Client shall not assign its rights or obligations under the TC to any third party without the prior written consent of Elsevier. The Client shall not sell or transfer the TC without the prior written consent of Elsevier. The Client shall not transfer or assign its rights or obligations under the TC to any third party without the prior written consent of Elsevier. The Client shall not sell or transfer the TC without the prior written consent of Elsevier.

17. Notice
Where the Client is trading under a trading name, the Client shall, at all times, ensure that it is trading under a trading name that is not registered or protected by any trademark or trade name that is similar to or confusingly similar to the name of any other person or entity. The Client shall not use any trademarks or trade names that are similar to or confusingly similar to the name of any other person or entity.

18. Provision of information
The Client shall provide Elsevier with all necessary information and documentation to enable Elsevier to fulfil its obligations under the TC.

19. Storage
The Client shall store the Products and Services in a safe and secure manner, and shall not remove the Products and Services from the Client’s premises without the prior written consent of Elsevier. The Client shall not display or advertise the Products or Services in a manner that is likely to cause harm or injury to any person or property.

20. Confidentiality
The Client shall keep confidential and not disclose to any third party any information of a confidential nature received from Elsevier in connection with the Products or Services. The Client shall not make any use of the Products or Services other than in accordance with the terms and conditions of the TC.

21. Audit
Audit, unless otherwise agreed by Elsevier, shall be carried out by Elsevier at any time and the Client shall provide all reasonable assistance to Elsevier in connection with such audit. The Client shall provide Elsevier with such information and documentation as Elsevier reasonably requires to audit the Client’s accounts and to effect the audit. The Client shall reimburse Elsevier for any reasonable expenses incurred by Elsevier in connection with such audit. Any information disclosed to Elsevier in connection with such audit shall be considered to be confidential information of Elsevier.
