1. Applicability
These terms and conditions shall apply to all offers, proposals, and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous terms of conditions and exclude any terms which are not specifically agreed in writing by Elsevier. If any conditions of business are proposed by the Client, they shall not apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraud or for any other liability which cannot be excluded or limited under applicable law.

2. Offer and acceptance/ Description
The Client shall be deemed to have offered the Products or Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client or commits performance of the Services for the Client. All products are offered subject to availability of the ordered Products or Services or in the event of any_yielding or limit in supply. Elsevier reserves the right to withhold supply of the Products or Services if it determines, in its sole discretion, that the Advertising Content or Client’s breach or alleged breach of any of the foregoing warranties shall be liable for any reason arising out of or related to the Advertising Content or Client’s breach or alleged breach of any of the foregoing warranties.

3. Execution and modification of the order
Before the Products are dispatched from Elsevier, the Client shall be notified in writing of the estimated date of dispatch. Elsevier shall make every reasonable effort to deliver the Products within the time estimated. If the Client believes that the Products delivered do not comply with the Specifications, the Client shall give written notice of such non-conformance to Elsevier within a reasonable time from the date of delivery. Elsevier shall have the right, at its discretion, to replace the non-conforming Products, to repair the Products or to refund the price paid by the Client for the non-conforming Products. However, Elsevier shall not be liable for any delay in delivery or in the event of any circumstances beyond its control.

4. Liability and claims
Elsevier shall not be liable for any loss or damage suffered by the Client or any other person or entity due to any act or omission of Elsevier or its employees, agents or contractors, whether such act or omission occurs in the course of the performance of the Services or the execution or performance of a contract provided that such payments are permissible under the Applicable Law. Elsevier shall have the right, at any time, to remove or limit access to the Advertising Content or Client’s breach or alleged breach of any of the foregoing warranties.

5. Termination
OUT OF THE CONTEXT IN WHICH THE TC IS CONSTRUED AS CREATING AN OBLIGATION TO INDEMNIFY THE OTHER PARTY AGAINST THE OTHER PARTY’S OWN LIABILITY FOR ANY OTHER LOSS IMPUTABLE TO IT SHALL IN ANY EVENT BE LIMITED TO THE INVOICE VALUE OF THE PRODUCTS OR SERVICES DELIVERED OR FURNISHED TO THE CLIENT UNDER SUCH ORDER. THE PARTIES ACKNOWLEDGE THAT THE LIABILITIES OF ELSEVIER UNDER THE TC ARE NOT SUBJECT TO ARBITRATION, AND CONSENT TO THE JURISDICTION OF AN APPROPRIATE COURT TO DETERMINE ANY DISPUTE WHICH MAY ARISE OUT OF OR RELATE TO THE TC. NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS LIMITING ANY PARTY’S RIGHTS TO SEEK INJUNCTIVE RELIEF OR ANY OTHER REMEDY AT LAW.

6. Distribution
The Client shall not engage in the reproduction, republication, or exploitation of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate or allow any other party to engage in such activities. The Client shall promptly notify Elsevier of any breach of any proprietary, copyright, or trademark rights in the Products by any third party. The Client is solely responsible for collecting from its customers all amounts due in respect of the sale of the Products. The Client shall make all payments due under the TC and shall pay all sums due in respect of the sale of the Products and Services in the manner agreed in writing prior to the sale of the Products and Services. These terms and conditions shall apply without any amendment or modification unless specifically provided for in writing by Elsevier. Elsevier shall have the right to terminate the TC upon the occurrence of any event of force majeure.
