ELSEVIER TERMINDS AND CONDITIONS OF SUPPLY

1. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). They supplant any previous supply terms and conditions. For the purposes of the TC, Elsevier shall mean the company within the Elsevier group that is providing the Products or Services as set out on the order acknowledgment or invoice. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identifiable eligible individual subscriber for personal use. Client acknowledges that satisfaction of this representation will warrant incapacity to harm Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to discontinue all reciprocal rights and services from Elsevier, including all actual and previously unreservedly purchased by Client. Elsevier shall use commercially reasonable efforts to comply with the provisions of the Products and Services agreed by both the parties in the relevant order, including such things as format, printing, processes, design, size and kind of address file, and the like. All drawings, descriptive matter, specifications and advertising issued by Elsevier and any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued as a sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for rejecting delivery of the Products unless the case may, in the exclusive judgment of Elsevier, mean that the goods supplied.

2. Offer and acceptance/ Description
Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written order acknowledgment or invoice. Where general terms and conditions of business are proposed by the Client, any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier's liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or services such a sale may be subject to additional licence terms.

3. Execution and modification of the order
Any modifications to the agreed product or service description, budget, schedule or set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act in the name of, and to the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate and time for delivery/performance shall not be made of the essence by the Client. If no date is so specified, delivery/performance will be within a reasonable time.

4. Prices, taxes and currencies
Unless otherwise agreed by Elsevier in writing, Client agrees to pay for the Products and Services at the prices set out in Elsevier's current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall also be exclusive of any taxes, import duties or other levies imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as applicable. Appropriate where applicable, Client shall provide to Elsevier Client's VAT registration number or other evidence of tax exemption to Elsevier at the time of placing its order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the prices payable to the Elsevier, Client shall increase the price payable to Elsevier by the increased amount of such withheld tax. The Client shall pay to Elsevier the full amount actually remitted to Elsevier by the applicable tax authorities in respect of the payment made by the Client to Elsevier. If the tax amount actually remitted is greater than the amount to be charged to the Client, Elsevier will refund such excess tax to the Client.

5. Payment
Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in full. Time for payment shall be of the essence. Elsevier may set any valid credit limits for any Client account and shall be entitled to refuse to supply any Client who has exceeded its current credit limit. Legal and beneficial title in any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until Elsevier has received in full (net) cleared funds. All sums due to the Client in respect of the Products and all other sums which are or which become due to Elsevier from the Client on account of any order, shall be applied first towards the payment of the invoice or invoices in respect of which such sums are due and then towards any other invoices in respect of orders for the same Client. Elsevier reserves the right to withhold the supply of Products or Services under the current order until any outstanding invoices are fully paid. Elsevier shall be entitled to apply any monies received by the Client to clear any of its outstanding debts to Elsevier.

6. Distribution
The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full credit control and solely bearing all of its losses from any uncollected amounts. Delay or failure in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under clause 1.

7. Intellectual property
Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products or Services shall remain with Elsevier unless agreed otherwise in writing. The rights granted by Elsevier are restricted to use solely by the Client and may not be assigned, transferred or sublicensed without the prior written permission of Elsevier. Elsevier reserves the right to non-exclusive nor to the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights to the Products. No part of the Elsevier proposals, publications or Products may be stored in any automated data file and/or reproduced, whether electronically, mechanically, by photostatting, recording or in any other manner or form, without the specific prior written permission of Elsevier.

8. Liability and claims
TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT AS EXPRESSLY STATED IN THIS TC, ELSEVIER SHALL NOT BE LIABLE TO THE CLIENT FOR ANY LOSS OR DAMAGE OF ANY KIND OR NATURE INCURRED BY THE CLIENT OR ANY THIRD PARTY, INCLUDING ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OR LOSS OR DAMAGE INCLUDING, WITHOUT LIMITATION, ANY LOSS OF DATA OR INCOME, LOSS OF PROFITS OR REVENUE, LOSS OF INCOME, BUSINESS OR LOSS OF OPPORTUNITY OR LOSS OF GOODWILL OR INCOME OR LOSS OF REPUTATION ARISING FROM OR RELATED TO THE PRODUCTS OR SERVICES, THE USE THEREOF OR THE NEGLECT OR DISCRETION OR INAPPROPRIATE OR UNINTENTIONAL USE OF THE PRODUCTS OR SERVICES, OR THE NEGLIGENCE OF ITS EMPLOYEES OR OTHERS FOR WHOM THE CLIENT'S LIABILITY TO ELSEVIER IS DIRECTLY OR INDIRECTLY RELATED. THE CLIENT AGREES TO INDEMNIFY ELSEVIER AGAINST ANY CLAIM OR ACTION OF ANY KIND, INCLUDING BUT NOT LIMITED TO ANY CLAIM MADE OR ACTED UPON BY A THIRD PARTY AGAINST ELSEVIER OR ITS EMPLOYEES OR OTHERS FOR WHOM THE CLIENT IS LEGALLY RESPONSIBLE.

9. Termination
If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, accidents, power or telecommunications failure, customs delays, governmental restrictions or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of its obligations hereunder to the extent of such failure, and such inability to perform shall not make such party liable to any other party. The party subject to an event of force majeure shall use good faith efforts to comply as closely as possible with the provisions of this TC and to avoid the effects of such event to the extent possible.

12. Notice

The Client shall not be entitled to assign the TC or any part of it without the written consent of Elsevier. If the Client assigns the TC or any part of it to any person, firm or company. If any provision of the TC is found by any court, tribunal or administrative body exercising authority to be void of any legal or contractual effect, then that provision will be deemed severable and will not affect the legal validity and enforceability of any remaining provision of the TC and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or partially enforcing any provision (or rescission of any breach) of the TC shall not be construed as a waiver of any of its rights under the TC.
