Cardiovascular Digital Health Journal

Overview

Cardiovascular Digital Health Journal, a new peer-review, Gold Open Access and bi-monthly journal, is committed to publishing high-quality original clinical and experimental research, review articles, points-of-view, images and short reports contributing to the advancement and adoption of digital technologies in global cardiology and health practice. By bringing together the most important advances in this multidisciplinary field, Cardiovascular Digital Health Journal aims to be a prominent voice and publishing venue in digital health.

11. Audit

5. Payment

2. Offer and acceptance/Description

1. Applicability

- Date of cancellation. No new external costs will be incurred or committed from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad expenses, which are directly related to the promotion, demonstration or explanation of Products or Services or the Client's business. The Client further agrees to the following terms and conditions, which are intended to be in effect for the sole purpose of making an appropriate description of the Products and Services described in the TC. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the TCs. The Client shall not be considered a feasible reason for rejecting the TCs, as the case may be, for any publishing error.

9. Force majeure

- Under no circumstances will Elsevier be liable for any of the following losses which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind to the Client, except to the extent that Elsevier is itself guilty of negligence or willful breach of contract.

8. Liability and claims

- To the maximum extent permitted by relevant laws (i) Elsevier shall not be liable for any of the following losses which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind to the Client, except to the extent that Elsevier is itself guilty of negligence or willful breach of contract.

7. Client's representations and warranties

- Client shall not be liable to any other party for any liability or additional costs which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind to the Client, except to the extent that Elsevier is itself guilty of negligence or willful breach of contract.

6. Distribution

- The Client shall not engage in piracy, reproduction, or plagiofilm of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiofilm of the Products of any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full credit control and solely bearing all of its own losses resulting from any such uncollected amounts. Delay or failure of obtaining such payments will not affect the Client's obligation to make payments to Elsevier under these terms.

5. Prices, taxes and currencies

- Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate and time for delivery/performance shall not be made of the essence by notice. If no dates are so specified, delivery/performance will be made at Elsevier's convenience.

4. Prices, taxes and currencies

- Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate and time for delivery/performance shall not be made of the essence by notice. If no dates are so specified, delivery/performance will be made at Elsevier's convenience.

3. Execution and modification of the order

- The Client shall not be liable to any other party for any liability or additional costs which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind to the Client, except to the extent that Elsevier is itself guilty of negligence or willful breach of contract.

2. Offer and acceptance/Description

- Offer and acceptance shall be made by Elsevier either in writing or by acceptance of orders in excess of the quoted volume, Elsevier shall return to the Client any amount overpaid by the Client. Orders for advertisements must be cancelled in writing prior to the relevant ad expenses, which are directly related to the promotion, demonstration or explanation of Products or Services or the Client's business. The Client further agrees to the following terms and conditions, which are intended to be in effect for the sole purpose of making an appropriate description of the Products and Services described in the TC. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the TCs. The Client shall not be considered a feasible reason for rejecting the TCs, as the case may be, for any publishing error.
