Cardiovascular Digital Health Journal

Overview

Cardiovascular Digital Health Journal, a new peer-review, Gold Open Access and bi-monthly journal, is committed to publishing high-quality original clinical and experimental research, review articles, points-of-view, images and short reports contributing to the advancement and adoption of digital technologies in global cardiology and health practice. By bringing together the most important advances in this multidisciplinary field, Cardiovascular Digital Health Journal aims to be a prominent voice and publishing venue in digital health.

6. Distribution

The Client shall not engage in piracy, reproduction, or plagiary of the Products or any other products or services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiary of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of the Products, exercising full credit control, and keeping all of its losses from any uncollected amounts. Defaults or failures in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under clause 5.

7. Intellectual property

The Client acknowledges that Elsevier owns all intellectual property rights in the Products, including all intellectual property rights in all Elsevier proposals, publications and other Products and Services, and any modifications or improvements thereof. Products and Services shall be at the Client's sole risk as soon as they are supplied to or delivered to the Client. Unless otherwise expressly agreed by Elsevier in writing, the Client represents and warrants that it is purchasing Products from Elsevier for its own account and use and not on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the account and use of no more than one identified institutional subscriber or principal, if the agent is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for personal use.

Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products and Services shall transfer to the Client on delivery, unless agreed otherwise in writing. The Client is solely responsible for the use of Products and Services, and may not duplicate, copy, create derivative works or modify any Products or Services or any part thereof without the prior written consent of Elsevier. The Client acknowledges that Elsevier will be entitled to enforce all of its rights of ownership in the Products and Services as if it were the original creator, author or owner of the Products and Services, and the Client hereby waives any claim of ownership in the Products and Services or any part thereof.

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, regulations, standards and judicial or administrative orders ("Jointly "Applicable Laws"") relevant to its duties, obligations and performance under this Agreement, including the RELX Suppliers Code of Conduct and Applicable Laws. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier shall be entitled to demand performance of the Client's obligations, to rescind this Agreement, and to take any other action that may be necessary to enforce Elsevier's rights hereunder. The Client acknowledges that Elsevier will be entitled to recover attorney's fees, court costs, and all other costs and expenses incurred by Elsevier as a result of any action to enforce Elsevier's rights under this Agreement.
