Overview

CASE, an international cardiovascular imaging case reports journal, is committed to encouraging excellence in cardiovascular ultrasound worldwide and its application to patient care. This journal supports the mission of the American Society of Echocardiography by publishing peer-reviewed case reports that make teaching points or scientific observations about echocardiography in the clinical setting.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability
These terms and conditions shall apply to all proposals, offers and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Order acknowledge, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions in operation between Elsevier and the Client. The parties shall use their best endeavours to agree a formal written contract setting out the terms of the supply of the Products and/or Services as set out in the TC. If the parties fail to agree a formal written contract setting out the terms of the supply of the Products and/or Services, the terms and conditions set out in the TC shall apply. If the parties agree to budge in the TC, any modification to or deviation from the TC shall be in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraudulent misrepresentation. Where Products are subcontracted to third parties, the third party product or software will be subject to the conditions set out in the TC.

2. Offer and acceptance

Offers and proposals made by the Client to Elsevier from time to time shall not be binding on Elsevier. Any acceptance by Elsevier of the terms of the order placed by the Client shall be deemed accepted only until written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client. The Client may not cancel or modify any part of an order once it has been accepted by Elsevier. The Client shall be responsible for all sums which are due to Elsevier. If the Client fails to make payment for any sums which are due to Elsevier, Elsevier shall be entitled to stop delivery of any Products to the Client until such sums become due and payable.

3. Execution and modification of the order

The Client shall engage, assist, supervise and manage the Products or services described in a schedule or in a written acknowledgement, until no further delivery is made and until the Product or service has been paid for. The Client shall be liable for the payment of all monies or anything of value to any commercial contact or Government Official for the purpose or intent to induce such person to accept any bribe, etc. ("Prohibited Payment"). A Prohibited Payment is when an employee, director, officer, agent or any person or entity that Elsevier deals with is, or is suspected to be, engaged in any other acticities or business relationship which is subject to any other nation's anti-corruption laws.

4. Prices, taxes and currency

Unless otherwise agreed by Elsevier in writing the price(s) for the Products and/or Services shall be in Elsevier's current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, insurance and shipping charges unless otherwise agreed to in writing, and shall be exclusive of all taxes, fees or other levies imposed on the sale or export of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide Client the VAT registration number or other evidence of its eligibility to use its VAT registration number for claiming the benefit of any input tax. All prices, fees and charges are exclusive of all taxes, levies and duties imposed by any local or national authorities on the sale or transfer of the Products or Services or the performance of Services or any aspect thereof.

5. Liability and claims

The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall be liable to the Client for any costs, damages or expenses incurred or suffered by the Client in connection with performance of the TC, except in the event of the Client's willful neglect or default. Any statements or information in marketing materials, advertising or promotional materials, or any other form of representation, shall not be considered a warranty of the accuracy of such statements or information. The Client shall not be liable for any breach of warranty in respect of liability for any other loss imputable to it shall in any event be limited to the invoice value of the Part of the Products or Services or Services which are the subject of such breach.

6. Distribution

The Client shall not engage, assist, supervise or manage the Products or any other products of Elsevier or affliates, or sell it directly or indirectly facilitate or allow any other parties to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction or plagiarism of the Product by any third party. The Client is solely responsible for collecting from its customers any amounts due in respect of the sale of the Product, any service or any other activity to which such assertion may relate. The Client shall make payments to Elsevier in accordance with the TC.

7. Intellectual property

If applicable and other copyright and other property rights in the Products and/or Services shall remain with Elsevier unless otherwise agreed in writing. The Client shall at all times comply with any notice of copyright, trademark, patent or other property right that Elsevier shall provide from time to time. The Client will ensure that the Products and Services shall be free of all computer virus or other malicious codes, programs or other destructive logic that may impair the performance of the Products and Services, or otherwise annoy, irritate or harm any computer system or any individual ("Malware"). The Client shall ensure that the Malware is removed from any system the Client provides to Elsevier before the Client accepts the Product.

8. Liability and claims

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other events of force majeure, the party is unable to perform in whole or in part, such party may in its discretion not accept liability for any other loss imputable to it shall in any event be limited to the invoice value of the Part of the Products or Services or Services which are the subject of such breach.

9. Force majeure

The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction or plagiarism of the Product by any third party. The Client is solely responsible for collecting from its customers any amounts due in respect of the sale of the Product, any service or any other activity to which such assertion may relate. The Client shall make payments to Elsevier in accordance with the TC.

10. Compliance with laws

The Client shall not engage, assist, supervise or manage the Products or any other products of Elsevier or affliates, or sell it directly or indirectly facilitate or allow any other parties to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction or plagiarism of the Product by any third party. The Client is solely responsible for collecting from its customers any amounts due in respect of the sale of the Product, any service or any other activity to which such assertion may relate. The Client shall make payments to Elsevier in accordance with the TC.
