CASE

Overview

CASE, an international cardiovascular imaging case reports journal, is committed to encouraging excellence in cardiovascular ultrasound worldwide and its application to patient care. This journal supports the mission of the American Society of Echocardiography by publishing peer-reviewed case reports that make teaching points or scientific observations about echocardiography in the clinical setting.

1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for these purposes. The parties agree to dissolve any previous understanding between them and hereby agree not to rely on any representations previously made by either of them in connection with these matters. These terms and conditions shall apply to all orders for products and services whether or not expressly included in any writing, except and to the extent that they may be inconsistent with the order acknowledgement received by the Client. These terms and conditions cannot be amended except by written agreement signed by an authorized agent of Elsevier.

2. Offer and acceptance

(1) Unless otherwise agreed by Elsevier in writing, the price for the Products and Services subject to the TC shall be as set out in Elsevier’s price list in effect at the time of the order, which price list shall be exclusive of all taxes. The price for the Products and Services subject to the TC shall be exclusive of all taxes. The price for the Products and Services subject to the TC shall be exclusive of all taxes. The price for the Products and Services subject to the TC shall be exclusive of all taxes. The price for the Products and Services subject to the TC shall be exclusive of all taxes. The price for the Products and Services subject to the TC shall be exclusive of all taxes.

3. Execution and modification of the order

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier renders additional services or performs additional work, the price for such additional services or additional work shall be agreed upon in writing by the parties. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

4. Distribution

Products. Unless otherwise expressly agreed by Elsevier in writing, title to and risk of loss in any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until such time as delivery occurs. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

5. Payment

Unless otherwise agreed by Elsevier in writing, the Client shall pay for all Products and Services subject to the TC in accordance with any applicable terms or conditions set forth in any invoice or other document furnished by Elsevier. Elsevier may terminate this TC at any time in the event of a breach of this TC by Client. Orders must specify a definite schedule of insertions, issues and sizes of space for a period of not less than six months from the date of the order acknowledgement received by the Client. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

6. Intellectual property

Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products and Services shall remain with Elsevier unless agreed otherwise in writing. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

7. Intellectual property

Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products and Services shall remain with Elsevier unless agreed otherwise in writing. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

8. Liability and claims

To the maximum extent permitted by relevant laws, Elsevier shall not be liable for any of the following losses which may be incurred by any breach of TTC or any implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law (or any loss of profits or any other similar losses): (i) damages or costs of any kind which Elsevier or any third party suffers; (ii) any loss or any other type of damage on account of any direct, indirect or, special, incidental, consequential, punitive or exemplary damages or any kind or any other type of loss or injury; (iii) Infringement of a third party's patent, copyright, trademark, or any other right of any kind or any other type of loss or injury; (iv) Breach of contract; (v) Breach of warranty; (vi) Breach of any statutory duty; (vii) Misrepresentation; (viii) Breach of any express or implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law (or any loss of profits or any other similar losses).

9. Commissions

The Client’s obligations under this TC shall cease to the extent that the Client sells or transfers any part of the Products or Services other than to the Client. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

10. Cancellations & Returns

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be in writing and received by Elsevier not later than the due date for the last item of the order subject to cancellation. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

11. Compliance with laws

The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.
