ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability
   These terms and conditions shall apply to all proposals, quotations and agreements made between the Client and Elsevier (the "Client") relating to the products and/or Services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions that Elsevier may have supplied to the Client. The TC shall be governed by the law of the Republic of Namibia and shall be subject to the exclusive jurisdiction of the courts of Namibia. Any disputes arising between the Client and Elsevier shall be resolved by arbitration before an arbitral panel in accordance with the rules of the Namibian Arbitral Centre. The Client hereby waives any right to a jury trial.

2. Offer and acceptance
   (a) The Client by placing an order ("Order") with the Supplier shall make an offer which is capable of acceptance by Elsevier. Except as otherwise agreed in writing between the Client and Elsevier, the Supplier shall accept or decline the Order within ten (10) days of receipt of the Order. Any Order accepted by Elsevier shall be subject to these Terms and Conditions of Supply ("TC"). All Orders are subject to Elsevier’s current price list and specifications. Elsevier reserves the right to accept or decline any Order in whole or in part or to require the Client to make any alterations to the Order.

3. Force majeure
   In the event that either party is prevented from the performance of its obligations under the TC by reason of any cause beyond its control and in no way attributable to the default of the other party ("Force Majeure"), including (but not limited to) acts of God, war or political upheaval, governmental action, civil unrest, strikes, lockouts or other labor difficulties, acts of terrorism or other acts of violence, or any other cause not within the control of the party, the party will endeavor to notify the other party of the cause of any delay or suspension of performance as soon as practicable.

4. Prices, taxes and currencies
   (a) Unless otherwise agreed by Elsevier in writing, prices/rates shall be those set out in Elsevier’s current price list and specifications. For any Client account, except as otherwise agreed in writing between the Client and Elsevier, the price of the Products shall be exclusive of all taxes and duties levied or payable therein.

5. Cancellations & Returns
   (a) The Client shall not be entitled to cancel or vary an Order unless Elsevier consents to a cancellation and no cancellation fee is payable to Elsevier. Elsevier reserves the right to charge any reasonable administrative fees to the Client for any cancellation or variation of an Order.

6. Liability and claims
   (a) The Client shall indemnify Elsevier from and against any losses, damages, costs or expenses (including interest and legal costs) suffered by Elsevier in relation to any claim, proceeding or other action brought against or by Elsevier in connection with the Client’s service of the Products or Services.

7. Force majeure
   In the event that either party is prevented from the performance of its obligations under the TC by reason of any cause beyond its control and in no way attributable to the default of the other party ("Force Majeure"), including (but not limited to) acts of God, war or political upheaval, governmental action, civil unrest, strikes, lockouts or other labor difficulties, acts of terrorism or other acts of violence, or any other cause not within the control of the party, the party will endeavor to notify the other party of the cause of any delay or suspension of performance as soon as practicable.

8. Liability and claims
   (a) The Client shall indemnify Elsevier from and against any losses, damages, costs or expenses (including interest and legal costs) suffered by Elsevier in relation to any claim, proceeding or other action brought against or by Elsevier in connection with the Client’s service of the Products or Services.

9. Audit
   (a) Elsevier reserves the right to conduct an audit of any Product or Service which is supplied under the TC and to require the Client to provide such information and documentation as Elsevier may reasonably require to enable Elsevier to conduct such an audit.

10. Advertising & Reprints
    (a) The Client shall not be entitled to cancel an order for reprints of material that has not been published.

11. General
    (a) The Client shall not be entitled to cancel an order for reprints of material that has not been published.

12. Distribution
    (a) The Client shall not be entitled to cancel an order for reprints of material that has not been published.

13. Cancellations & Returns
    (a) The Client shall not be entitled to cancel an order for reprints of material that has not been published.

14. General
    (a) The Client shall not be entitled to cancel an order for reprints of material that has not been published.
