1. Applicability
These terms and conditions shall apply to all proposals, contracts and agreements made between the Client and Elsevier ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreements between the parties. The TC shall not apply to the sale of Products or Services in relation to orders on Elsevier’s standard order form.

2. Applicability of the TC
The Client shall be deemed to have accepted the TC upon placing any order with Elsevier. The TC are exclusive of any provision made in the order other than the TC. Any subsequent variation to the TC, unless agreed in writing by an authorized signatory of Elsevier, shall be null and void. There shall be no implication of a waiver of any of the provisions of the TC by Elsevier’s failure to object to any breach of the TC by the Client.

3. Prices, taxes and currencies
Prices are exclusive of tax unless otherwise stated. Subject to any change in tax laws, the Client shall pay any tax chargeable on the supply of the Products and Services.

4. Execution and modification of the order
All orders shall be subject to the written approval of Elsevier. The Client shall be responsible for ensuring that the order is correctly submitted and that the Client’s requirements are fully specified. Any oral or other order shall be deemed to be null and void unless accepted in writing by Elsevier.

5. Payment
Payment shall be made in the currency in which the invoice is denominated and shall be due and payable in full on the invoice date. Unless otherwise agreed in writing, payment must be made within thirty (30) days of the invoice date. The Client shall pay all sums due and pay in full any sums for which Elsevier has a claim against the Client.

6. Distribution
Elsevier has the right to use the Client’s name and logo in any advertising or promotional materials provided by Elsevier to the Client, unless the Client requests otherwise in writing. The Client shall indemnify and hold Elsevier harmless from any claims, losses, damages, costs, expenses, and legal fees arising from the Client’s breach of this provision.

7. Intellectual property
Copyright and other intellectual property rights in all Elsevier proposals, publications and other products of Elsevier shall remain with Elsevier until agreed otherwise in writing. The Client shall pay all sums due and pay in full any sums for which Elsevier has a claim against the Client.

8. Liability and claims
To the Maximum Extent PERMITTED BY RELEVANT LAWS Elsevier shall not be liable for any of the following losses which may be incurred by any breach of this TC or any implied warranty, condition or other representation or any act or omission by Elsevier or any of its servants or agents

9. Insurance
The Client shall ensure that sufficient insurance is taken out so as to cover all liabilities and losses which may arise from the Client’s performance of its obligations under the TC.

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, hostilities, acts or sixes of God, civil commotion, insurrection, revolution, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations under the TC, then the party so hindered shall be excused from the performance of such obligations during the continuance of such hindrance.

11. Severability
If any provision of the TC is held to be invalid or unenforceable, the validity of the remaining provisions of the TC shall not be affected.

12. Entire Agreement
This entire Agreement contains the entire agreement and supersedes any prior agreements or understandings between the Client and Elsevier. This entire Agreement may not be amended except in writing signed by an authorized signatory of Elsevier.
