Pediatric Neurology

Overview

Pediatric Neurology presents timely, peer-reviewed clinical and research articles covering all aspects of the developing nervous system. The journal features the latest advances in the diagnosis, management, and treatment of pediatric neurologic disorders. Topics include: epilepsy, mitochondrial diseases, congenital malformations, chromosomopathies, peripheral neuropathies, perinatal and childhood stroke, cerebral palsy, as well as other pediatric neurological disorders. Original and review articles, case reports, brief communications and book reviews are published regularly.

1. Applicability

These terms and conditions shall apply to all proposals, offers and agreements made by and between elsevier (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). These terms supersede any previous terms and conditions relating to the same subject matter. For the purposes of this TC, a document that is issued by Elsevier to the Client is referred to as an "Order". The Client may request to return any damage, lost or missing items that it has received from Elsevier, subject to the relevant return policy as described in the relevant Order. The Client shall be responsible for any such costs. Any such returns shall be subject to the relevant Elsevier company's return policy, and the Client shall be responsible for any such costs. If the Client returns an item, Elsevier shall have the right to examine it to determine whether it is in good condition and has not been damaged in any way. The Client shall be responsible for any such costs.

2. Offer and acceptance

Each order for the sale or supply of any Product or description of such supply, written or oral, submitted to the Client, including such things as format, printing processes, technology, design, and/or of address, fonts, weights and the like. All drawing, descriptor, specification, and advertising work by Elsevier and any descriptions or illustrations contained in Elsevier’s catalogues or brochures are issued or published for the sole purpose of giving an approximate description of the Products and Services described therein. They will form part of the TC. The publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content as context characteristics of the Products and Services, cannot be considered a reason for reissuing delivery or, as the case may be, modifying the agreed price.

3. General

In connection with the TC, Elsevier is not liable for the safe receipt of any Product, description or sample or for the return of any Product, description or sample. Any such costs shall be borne by the Client at his own risk.

4. Delivery

If delivery of the Product is agreed, the Client is responsible for the delivery of the Product to the Client. The Client shall be responsible for any such costs. Any such returns shall be subject to the relevant Elsevier company's return policy, and the Client shall be responsible for any such costs. If the Client returns an item, Elsevier shall have the right to examine it to determine whether it is in good condition and has not been damaged in any way. The Client shall be responsible for any such costs.

5. Payment

All payments due under the TC without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Client has a valid court order requiring an amount equal to such deduction to be paid by the Client to Elsevier. From the date of the invoice to the due date of payment in full, interest at the rate of 5% per annum will be charged on all overdue accounts. Any return or cancellation fee will be charged to the Client in full, subject to any applicable taxes. The Client shall be responsible for any such costs. Any such returns shall be subject to the relevant Elsevier company's return policy, and the Client shall be responsible for any such costs. If the Client returns an item, Elsevier shall have the right to examine it to determine whether it is in good condition and has not been damaged in any way. The Client shall be responsible for any such costs.

6. Cancellations & Returns

In the event of a default by the Client in the payment of any amount due hereunder, Elsevier may terminate this TC at any time in the event of a default by the Client. The Client shall be responsible for any such costs. Any such returns shall be subject to the relevant Elsevier company's return policy, and the Client shall be responsible for any such costs. If the Client returns an item, Elsevier shall have the right to examine it to determine whether it is in good condition and has not been damaged in any way. The Client shall be responsible for any such costs.

7. Indemnification

The Client's indemnification against all claims, losses, damages, or expenses in respect of the Client's use of the Products or Services shall apply. The Client shall be responsible for any such costs. Any such returns shall be subject to the relevant Elsevier company's return policy, and the Client shall be responsible for any such costs. If the Client returns an item, Elsevier shall have the right to examine it to determine whether it is in good condition and has not been damaged in any way. The Client shall be responsible for any such costs.

8. Compliance with laws

The Client indemnifies Elsevier against all claims, losses, damages, or expenses in respect of the Client's use of the Products or Services or for providing the Products or Services, and agrees to indemnify Elsevier against all claims, losses, damages, or expenses in respect of the Client's use of the Products or Services. The Client indemnifies Elsevier against all claims, losses, damages, or expenses in respect of the Client's use of the Products or Services, and agrees to indemnify Elsevier against all claims, losses, damages, or expenses in respect of the Client's use of the Products or Services.

9. General

In connection with the TC, Elsevier is not liable for the safe receipt of any Product, description or sample or for the return of any Product, description or sample. Any such costs shall be borne by the Client at his own risk.

10. Transfer of ownership

The Client’s obligation to make payments to Elsevier under clause 5.

11. Non-infringement

The Client guarantees that all materials, images or other content submitted to Elsevier for display are legal, fair use, copyright, trademark, or other content. The Client is responsible for ensuring that all materials, images or other content submitted to Elsevier for display are legal, fair use, copyright, trademark, or other content.

12. Information

The Client acknowledges that it is responsible for ensuring that all materials, images or other content submitted to Elsevier for display are legal, fair use, copyright, trademark, or other content.

13. General

In connection with the TC, Elsevier is not liable for the safe receipt of any Product, description or sample or for the return of any Product, description or sample. Any such costs shall be borne by the Client at his own risk.

14. General

In connection with the TC, Elsevier is not liable for the safe receipt of any Product, description or sample or for the return of any Product, description or sample. Any such costs shall be borne by the Client at his own risk.

15. General

In connection with the TC, Elsevier is not liable for the safe receipt of any Product, description or sample or for the return of any Product, description or sample. Any such costs shall be borne by the Client at his own risk.
