The Surgeon

Overview

Since its establishment in 2003, *The Surgeon* has established itself as one of the leading multidisciplinary surgical titles, both in print and online. *The Surgeon* is published for the worldwide surgical and dental communities. The goal of the journal is to achieve wider national and international recognition, through a commitment to excellence in original research. In addition, both Colleges see the journal as an important educational service, and consequently there is a particular focus on post-graduate development. Much of our educational role will continue to be achieved through publishing expanded review articles by leaders in their field.

2. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or services of Elsevier (the “Products” and/or “Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the “TC”). The parties agree that the TC is intended to be the entire agreement between the parties and that only the TC and any order acknowledgement shall be binding on the respective parties. Nothing in the TC shall exclude or limit Elsevier’s liability for fraudulent misrepresentation. Where products are sold that are intended to contain third party software or such a sale may be subject to additional licence terms.

3. Offer and acceptance/ Description Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written order acknowledgement is issued by Elsevier (or if earlier Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client). All offers are subject to acceptance by the Offeror. Unless otherwise expressly agreed by Elsevier in writing, the Client represents and warrants that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products or Services for its account and use and not of more than one identified institutional subscriber as principal or, if the Client is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for personal use. The Client acknowledges that violation of this representation and warranty shall cause immediate irrevocable relief requiring Client to deliver all recipients of any Products or Services from Elsevier, including all actual recipients that have not previously been properly identified by Client. Elsevier shall use commercially reasonable efforts to comply with the requirements of the Products and Services and agreed by both the parties in the relevant order, including such things as format, printing, design, technical design and degree of site address, the look and feel. All drawings, descriptive matter, specifications and advertising issued by Elsevier and any descriptions or illustrations contained in Elsevier’s catalogues or brochures as issued at the sole discretion of its representatives, shall be conclusive for all the purposes of giving an approximation of the description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characterisation of the Products and Services, cannot be considered a reason for resolving the contract, unless the case may be, they are the result of a pricing error.

4. Price, terms and currency Unless otherwise agreed by Elsevier in writing, the prices for the Products and Services shall be set out in Elsevier’s current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, insurance and other charges imposed on Elsevier by the Client or any other person or entity. All such prices shall be exclusive of any handling, packing, loading, freight, insurance and other charges imposed on Elsevier by the Client or any other person or entity.

5. Payment Unless otherwise agreed in writing, payment shall be made within thirty (30) days of the invoice date for the TC. In the event that such a sale is not made, the Client shall be entitled to recover payment for the Products or Services notwithstanding that ownership of any of the Products or for the payment of the price shall not be transferred to Elsevier or to the Client and the Product or Service shall remain the property of Elsevier until the price shall have been paid in full. If the Client fails to make any payment within thirty (30) days of such invoice date, Elsevier shall have the right to suspend performance under the TC and to proceed to recover any outstanding debt from the Client. Elsevier shall not be deemed to have waived any rights or remedies it may have if it has allowed the Client to defer payment or delay payment, except to the extent that the Client has actually paid to Elsevier the amount actually owed to Elsevier. If a Client is in default of any payment due under the TC, Elsevier reserves the right to apply all amounts on account of the Client to its own account or to any of its affiliates, subsidiaries, or representatives.

6. Distribution The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products or Services or any part of its products or Services or any other person or entity, or facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products or Services by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of the Products, exercising full control and solely bearing all of its losses from any uncollected amounts. Delay or failure in obtaining such payments will not affect the Client’s obligation to make payments to Elsevier under the TC.

7. Intellectual property Copyright and other intellectual property rights to all Elsevier proposals, publications and other or Services or Services and Services shall remain with Elsevier unless otherwise agreed in writing. The rights granted by Elsevier are restricted to use solely by the Client and may not be assigned, transferred or sublicensed without the prior written permission of Elsevier. The Client shall not engage in piracy, reproduction, or plagiarism of the Products or Services or any part of its products or Services, or any other person or entity, or facilitate any other party to engage in those activities. The Client shall furnish Elsevier with the necessary information and documentation to verify Client’s compliance with the TC.
