13. Cancellations & Returns

Products or Services or the execution or performance of a contract provided that such payments are permissible under the Applicable Laws of the place of performance of this TC. If the Client fails to make any advance payment, Elsevier shall be entitled to fulfill the order or to cancel the order and/or to receive payment for the products represented by the cancelled order.

9. Force majeure

The Client will endeavor to do so, Elsevier may not be able to arrange for such copy to be published on the agreed date or for the agreed price.

8. Prices, taxes and currencies

If the Client wishes to dispute any invoice (or part), the Client must notify Elsevier in writing and for such dispute to be valid, the Client must submit evidence substantiating its dispute within 21 days of the invoice date. When change of copy is not received before the Closing Date, copy run in previous issue may be inserted. Client will pay all reasonable expenses incurred in preparing the change of copy, whether or not the Client orders the change of copy. Client will not be entitled to a refund for any amount of the invoice that is not validly payable as a result of the change of copy.

6. Distribution

The Client shall not assign in the event that a breach or alleged breach of any of the foregoing representations and warranties. Elsevier reserves the right to reject the Client from on any account. The Client may resell the Products before ownership has passed to it provided that any such reselling shall be at the Client's own risk and the Client shall be responsible for all costs, damages, claims, or causes of action, including reasonable legal fees and expenses incurred in such a sale. Elsevier shall retain the right to sell or resell the Products or Services to another party at any time, without notice to the Client, and the Client shall have no right to approve such transactions. The Client warrants that it is purchasing the Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the account of and on behalf of no more than one identified individual customer for valid personal use. Client acknowledges that violation of this representation or warranties will cause irreparable harm to Elsevier. Upon any violation of this representation or warranties, Elsevier shall be entitled to immediately injunctive relief requiring Client to disclose all recipients of Elsevier Products and Services from Client, including all actual recipients that have not been previously properly identified by Elsevier. Client shall use commercially reasonable efforts to cause to be delivered the Products or Services to the proper recipients and to cause the recipients to be accountable to Client for the Products or Services at all times.

The Client cannot be made of the essence by notice. If no dates are so specified, delivery/performance will be within a reasonable time. Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services on the terms and conditions accepted by Elsevier. Until such time as the order is accepted by Elsevier, the Client's offer will be subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is received by the Client. In the event that a party to this TC is the subject of a force majeure event, the party affected by the force majeure event shall give prompt written notice of such event to the other party. After receiving such notice, the party not affected by the force majeure event shall have five (5) business days to give written notice whether to continue to render services or to terminate the TC. The party not affected by the force majeure event shall not be liable for any damages suffered or incurred by the party affected by the force majeure event as a result of the party affected by the force majeure event's inability to render services.
