Thrombosis Research

Overview

*Thrombosis Research* is an international journal with a goal of rapid dissemination of new information on thrombosis, hemostasis, and vascular biology to advance science and clinical care. The journal publishes peer-reviewed original research, along with reviews, editorials, and opinions and critics. Both basic and clinical studies are published. Publication of research which will lead to novel approaches in diagnosis, therapy, prognosis and prevention of thrombotic and hemorrhagic diseases is given high priority. Rapid communication and high visibility is facilitated by on-line submission, processing, and dissemination through Science Direct with powerful on-line links to other journals and sources.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to all proposals, offers and agreements made by and between the Publisher and any third party or its agent (the "Client") relating to the products and/or services of the Publisher ("the Products and/or Services") and, along with the relevant Publisher order acknowledgment, shall constitute the entire agreement between the parties (the "TC"). They supersede any previous verbal or written agreements. For the purposes of this TC, we refer to a "Product" as any of the products or services described in and attached to this TC and to "Advertising Content" as any content provided by the Client to be displayed on the agreed platform, either on a single platform, or on multiple platforms.

8. Liability and claims

14. General

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the jurisdiction of the courts in their respective domiciles, and to the laws which are applicable to their respective performances under this Agreement.

3. Duration and termination of the order

The Client shall allow Publisher’s authorized representative at any reasonable time to have access to Client’s premises (or Client’s premises) for the purpose of inspecting Client’s facilities, books and records to verify Client’s compliance with the TC. The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and the like that are consistent with Elsevier’s standards. In addition, Elsevier shall have the right, at any time, to request the Client to provide such copies or reproductions of any parts of Client’s Advertising Content as Elsevier shall reasonably request.

2. Price: Taxes and currencies

4. Prices, taxes and currencies

The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any such breach, Elsevier may (i) not publish the Client’s personal subscriptions in a representative capacity, for the account and use of no more than one identified institutional subscriber, (ii) charge the Client a reasonable fee for any personal subscriptions so published, and (iii) exercise any other remedy available to Elsevier at law or in equity, including, without limitation, an injunction or other equitable relief.

2. Price: Taxes and currencies

Unless otherwise agreed by Elsevier in writing, the price for the Products and/or Services shall be as stated in Elsevier’s current price list (whether in print or online), or as otherwise agreed in writing. All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of any, import duties or other imposed levies on the sale or supply of the Products or Services by local or national authorities, which shall be charged by Elsevier at its discretion. Where applicable, Elsevier shall provide to the Client’s VAT registration number or other identifying number for the purpose of recovering VAT on the supply of the Products and/or Services. In such event, Elsevier may either (i) publish alternative Advertising Content in consultation with the Client or (ii) refund to Client a pro rata portion of the fee which Client has paid to Elsevier for display of the Advertising Content or arising out of or related to the Advertising Content or Client’s breach or alleged breach of any of the foregoing representations, warranties and agreements. In addition, Elsevier shall have the right, at any time, to remove any of Client’s advertising and/or terminate this TC if Elsevier determines, in its sole discretion, that the Advertising Content or the advertising campaign into which it will be incorporated is, or contains, or is likely to be interpreted as, libellous, defamatory, obscene, profane or immoral, infringing of any copyright, patent, trade secret, trademark, trade secret, music, video, or any other proprietary or property right, defaming advertising, defamatory competition, offensive, intruding privacy of privacy or rights of publicity, violating any anti-discrimination law or regulation, or any other right or any person or entity. (ii) Advertising Content or any part of it or (iii) any other advertisement. This Section 14 shall be construed to be a complete statement of the Client’s undertaking as to the truth and accuracy of any information supplied by the Client to Elsevier.

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and the like that are consistent with Elsevier’s standards. In addition, Elsevier shall have the right, at any time, to remove any of Client’s advertising and/or terminate this TC if Elsevier determines, in its sole discretion, that the Advertising Content or the advertising campaign into which it will be incorporated is, or contains, or is likely to be interpreted as, libellous, defamatory, obscene, profane or immoral, infringing of any copyright, patent, trade secret, trademark, trade secret, music, video, or any other proprietary or property right, defaming advertising, defamatory competition, offensive, intruding privacy of privacy or rights of publicity, violating any anti-discrimination law or regulation, or any other right or any person or entity. (ii) Advertising Content or any part of it or (iii) any other advertisement. This Section 14 shall be construed to be a complete statement of the Client’s undertaking as to the truth and accuracy of any information supplied by the Client to Elsevier.
