Overview

*Thrombosis Research* is an international journal with a goal of rapid dissemination of new information on thrombosis, hemostasis, and vascular biology to advance science and clinical care. The journal publishes peer-reviewed original research, along with reviews, editorials, and opinions and critics. Both basic and clinical studies are published. Publication of research which will lead to novel approaches in diagnosis, therapy, prognosis and prevention of thrombotic and hemorrhagic diseases is given high priority. Rapid communication and high visibility is facilitated by on-line submission, processing, and dissemination through Science Direct with powerful on-line links to other journals and sources.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability These terms and conditions apply to all offers, proposals, orders and contracts made and/or any acts or omissions by any third party or its agents ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. For the purposes of this TC, any reference to the different supply terms and conditions of Elsevier in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reads additional terms that are not inconsistent with these terms and conditions, this TC shall be amended to conform to such additional terms.

2. Offer and acceptance of orders/ descriptions/ products or services by the Client Elsevier shall deliver to the Client once the order has been placed and accepted by Elsevier. All offers or orders made by Elsevier shall be accepted by the Client in writing. Unless otherwise expressly agreed by Elsevier in writing, the Client represents and warrants that it is purchasing Products or Services from Elsevier for its own use and not and on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the sole and entire use of such other person or entity or institution as principal or as agent. If the agent is permitted to order products on behalf of an additional person, a written order acknowledgment, personal refund, written on behalf of the Client shall be evidenced to the Client. The Client acknowledges that representation of the representation and warranty shall cause irreparable harm to Elsevier and its officers, directors, employees and agents. Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier and its officers, directors, employees and agents. Where general terms and conditions of business are proposed by the Client, these shall apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraudulent misrepresentation.
