Thrombosis Research

Overview

*Thrombosis Research* is an international journal with a goal of rapid dissemination of new information on thrombosis, hemostasis, and vascular biology to advance science and clinical care. The journal publishes peer-reviewed original research, along with reviews, editorials, and opinions and critics. Both basic and clinical studies are published. Publication of research which will lead to novel approaches in diagnosis, therapy, prognosis and prevention of thrombotic and hemorrhagic diseases is given high priority. Rapid communication and high visibility is facilitated by on-line submission, processing, and dissemination through Science Direct with powerful on-line links to other journals and sources.

1. Applicability

These terms and conditions shall apply to all proposals, offers, bids and any third party or its assignee ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the whole basis of the agreement between the parties (the "TC"). They supersede any previous understandings and communications, and shall be the only terms and conditions applicable to all transactions. These Terms and Conditions are not intended to limit the liability of Elsevier in any way and are subject to change at any time.

2. Offer and acceptance/ Description

All orders for the provision of products or services shall be made in writing. All offers made by Elsevier shall be subject to acceptance in writing by the Client. No representation or statement made by Elsevier shall create a contract unless this is confirmed in writing by Elsevier and accepted by the Client.

3. Execution and modification of the order

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reads additional content, the Client shall reimburse Elsevier for any such costs.

4. Prices, taxes and currencies

Prices quoted in connection with the issuance of the TC shall be the name of the Client, and, as the name of the Client, and at the rate of all sums outstanding under the TC. Elsevier shall take reasonable care but shall not be liable for accidental loss or damage thereto. The Client shall be entitled to withdraw the offer at any time prior to the closing date for any reason.

5. Payment

Payment shall be made by the Client to Elsevier in accordance with the terms specified in the initial invoice. All payments herein shall be made by check, bank draft, or wire transfer to the account specified in the TC. All payments shall be made within thirty (30) days of the invoice date. Upon receipt of payment in full, Elsevier shall release the products or services to the Client.

6. Distribution

The Client shall engage, license, reproduce or plagiarize any of the products or services of Elsevier or thereof, warrant that it will not engage in those activities. The Client shall promptly notify Elsevier in the event of a breach of any of these obligations.

7. Intellectual property

Copyright and other proprietary rights in and to all Elsevier publications, products and/or services shall remain with Elsevier unless otherwise agreed in writing. The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or thereof. The Client shall be solely responsible for collecting from its customers all amounts due in respect of the sale of the Products.

8. Liability and claims TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW

Elsevier shall not be liable for any of the following losses which may arise by reason of breach of contract, breach of warranty, misrepresentation, negligence, or other statutory or other obligations or any act or omission of Elsevier in connection with the operation of its business or the Products or Services or any other matters or any act or omission of Elsevier or its affiliates or agents or contractors or sub-contractors or suppliers or any third party.

9. Force majeure

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or thereof. The Client shall be solely responsible for collecting from its customers all amounts due in respect of the sale of the Products.

10. Advertising & Reprints

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reads additional content, the Client shall reimburse Elsevier for any such costs.

11. Audit

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or thereof. The Client shall be solely responsible for collecting from its customers all amounts due in respect of the sale of the Products.
