Overview

*Thrombosis Research* is an international journal with a goal of rapid dissemination of new information on thrombosis, hemostasis, and vascular biology to advance science and clinical care. The journal publishes peer-reviewed original research, along with reviews, editorials, and opinions and critics. Both basic and clinical studies are published. Publication of research which will lead to novel approaches in diagnosis, therapy, prognosis and prevention of thrombotic and hemorrhagic diseases is given high priority. Rapid communication and high visibility is facilitated by on-line submission, processing, and dissemination through Science Direct with powerful on-line links to other journals and sources.

1. Applicability
These terms and conditions shall apply to all proposals, offers and communications made by and to any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous written or oral agreements between the parties. For the purposes of this TC, "Elsevier" means Elsevier, including any of its affiliates or subsidiaries who are involved in the relevant transaction. "Products" and "Services" shall mean collectively all of the products and services agreed by both parties in the relevant order, including such things as format, printing processes, advertising space/copy, design and size of anticipated advertisement, style and size of artwork, and other matters, specifications and advertising issued by Elsevier and any descriptions or illustrations contained in Elsevier’s catalogues or brochures. No person shall be liable for any breach of any obligation arising out of or related to the Products and Services described therein. The parties shall be bound by the terms and conditions contained in this TC, subject to any variation agreed in writing in advance. Any order acknowledgment may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier requests additional payments, the Client shall comply with the request promptly. In the event that the Client cannot or will not comply with the request, Elsevier shall have the right to decline the order. In any case, Elsevier shall not be required to supply any part of the order until the full amount due (including the costs of any additional delivery, handling or other charges) shall have been paid. Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are not permissible under the Applicable Law. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products and Services for its own use and not and on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the account and use of one or more of its own directly or indirectly owned subsidiaries (or any of its affiliates or subsidiaries, including any of its subsidiaries which are proposed by the Client, these shall not apply and the TC will prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation. Nothing in the TC will exclude or limit Elsevier’s Liability for death or personal injury caused by Elsevier’s negligence or wilful intent or the negligence of its employees or other persons for whom the party is legally responsible. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signatory of Elsevier.
