Thrombosis Research

Overview

*Thrombosis Research* is an international journal with a goal of rapid dissemination of new information on thrombosis, hemostasis, and vascular biology to advance science and clinical care. The journal publishes peer-reviewed original research, along with reviews, editorials, and opinions and critics. Both basic and clinical studies are published. Publication of research which will lead to novel approaches in diagnosis, therapy, prognosis and prevention of thrombotic and hemorrhagic diseases is given high priority. Rapid communication and high visibility is facilitated by on-line submission, processing, and dissemination through Science Direct with powerful on-line links to other journals and sources.

1. Applicability
These terms and conditions apply to orders for, products, and any other communications made by and between Elsevier and any third party or its/third party's ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreement or advertisement between the parties.

2. Payment
All orders must be accompanied by payment in full at the time of ordering. Any returns of the products shall be subject to the relevant Elsevier company's return policy. Reprints cannot be returned once these have been printed.

3. Force majeure
Failure or delay by Elsevier in enforcing or perfecting any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC.

4. Intellectual property
The Client acknowledges that ownership of the Advertising Content or Client's breach or alleged breach of any of the foregoing represent or warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring the Client to discontinue all distributions of the Products and Services from Client, including all actual products that have not been previously properly identified by Elsevier. Elsevier shall have commercially reasonable efforts to comply with the provisions of this TC and to avoid the effects of such event to the extent possible.

5. Intellectual property
Shall limit the client's existing legal or statutory rights where it is acting as a consumer. The parties agree that the PARIS Principles shall not apply to this TC or the interpretation or enforcement thereof. The Client has entered into this TC in accordance with the effective TC, which includes the date of cancellation. No new external elements appear to be specified in the TC. The effective TC is the document that is in force at the time of acceptance of the order. The effective TC is the document that is in force at the time of acceptance of the order.
