Overview

*Veterinary Immunology and Immunopathology* publishes high-quality research results on domestic animals, laboratory animals, and other species that are useful to man. A wide range of topics are covered, including fundamental research on animal immune systems; new techniques and developments in veterinary immunodiagnosis; immunogenetics; immunology and immunopathology of parasitic and infectious disease; and clinical immunology in animals.

Contact your sales representative for all digital advertising rates and opportunities.
2. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (“the TC”).

3. Execution and modification of the order The Client is solely responsible for ensuring proposed advertising copy is received at Elsevier in electronic form (or such other form as specified by Elsevier) and within the relevant deadline set by Elsevier (the “Closing Date”). Where copy is received late or not at all, Elsevier reserves the right to withhold supply of the Products or Services under the current order until such date as the Client is able to ensure that the Products or Services are delivered as required.

5. Liability and claims The liability of Elsevier to the Client for any breach of the TC and/or the Client’s advertisement shall be limited to the amount paid by the Client to Elsevier for the relevant TC and any other amounts actually and directly incurred in consequence of such breach by Elsevier, except in the case of liability for death or personal injury for which Elsevier is liable to the extent permitted by law.

13. Cancellations & Returns If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be notified in writing to Elsevier. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of receipt of the cancellation notice by Elsevier, up to a maximum of 10% of the cost of the order.}

14. General The parties agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply and that the UN Convention on the Limitation of Liability for Maritime Claims shall not apply. Elsevier reserves the right to withhold supply of the Products or Services under the current order until such dates as the Client is able to ensure that the Products or Services are delivered as required.

8. Liability and claims To THE MAXIMUM EXTENT PERMITTED BY LAW ELSEVIER EXPRESSLY EXCLUDES ANY LIABILITY FOR ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NOTHING IN THIS CONTRACT SHALL LIMIT THE CLIENT’S EXISTING LEGAL OR STATUTORY RIGHTS WHERE IT IS ACTING AS A CONSUMER. The Client has entered into this TC in the knowledge that the liability of Elsevier is to be limited in accordance with these terms and conditions and the charges have been agreed accordingly. Elsevier reserves the right to withhold supply of the Products or Services under the current order until such dates as the Client is able to ensure that the Products or Services are delivered as required.

9. Force majeure In the event of a breach of this TC by Elsevier, the Client shall specify the nature of the breach and give Elsevier a reasonable opportunity to remedy it. Elsevier shall be entitled to offset any amounts received by the Client, to clear any of the Client’s outstanding debts to Elsevier. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of receipt of the cancellation notice by Elsevier, up to a maximum of 10% of the cost of the order.

2. Offer and acceptance/ Description Each order for the products from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or (if earlier) Elsevier delivers the products or issues the invoice to the Client or commencement performance of the Services for all the products. All orders are subject to availability of the ordered products. Unless otherwise expressly agreed in writing by Elsevier, it is Elsevier’s responsibility to arrange for the pickup of the products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to order products in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for valid personal use. Product acknowledgments that validation of this representation and warranty will cause irrevocable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to deliver all receipts of products and Services from Elsevier, including all actual products that have not been previously properly identified by Client. Elsevier shall use commercially reasonable efforts to comply with such representations of the Products and Services agreed by both parties in the relevant order, including such things as format, printing, technical design, size and kind of address file, weights and the like. All drawings, descriptive matter, specifications and advertising ideas by Elsevier or any descriptions or illustrations contained in Elsevier’s catalogues or brochures are issued or published for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design character of the Products and Services, cannot be considered a reason for rejecting them, as the case may be, unless they render the products and Services non-conforming.
