Advances in Kidney Disease and Health

Overview

*Advances in Chronic Kidney Disease* provides in-depth, scholarly review articles about the care and management of persons with early kidney disease and kidney failure, as well as those at risk for kidney disease. The full spectrum of basic science through clinical care is covered in these reviews. Clinical care issues stress the multidisciplinary team approach to the care of kidney patients. Each issue is devoted to a single topic. The journal is available full text online through www.ackdjournal.org for subscribers, who receive access as part of their print subscription.
