1. Applicability

These terms and conditions shall apply to all proposals, offers, and agreements made by and between any third party or its "representative" (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. Each order for the Products and Services by the Client shall be deemed to be an offer by the Client to Elsevier to supply the Products and Services as set out on the Elsevier order acknowledgement. Where general terms and conditions of business are proposed by the Client, these shall apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's liability for fraud or fraudulent misrepresentation.

2. Offer and acceptance/Description

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. Each order placed by the Client shall be deemed accepted until written acknowledgement of order is issued by Elsevier or [Elsevier's] Deliveror delivers the Products or issues the invoice to the Client or confirms performance of the Services for the Client. All products are subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that if it is purchasing Products or Services from Elsevier for its own internal use and not for and on behalf of any other person or entity, it is a representative or warrantor that it is purchasing the Products and Services from Elsevier for the client's reason and use of which more than one has been identified as an authorized representative as per the authorization agreement signed by such person or entity. If the agent is permitted to order personal subscriptions in its own name, for the account and use of no more than one self-identified individual subscriber for self-paid personal use. Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier and upon any violation of this representation and warranty, Elsevier shall be entitled to injunctive relief requiring the Client to discontinue all recipients of Products and Services from Elsevier, including all recipients of any Product or Service that have been previously not properly identified by Client. Elsevier shall commercially reasonableness efforts to comply with descriptions of the Products and Services agreed by audit parties in the relevant order, including such things as proper timing, processing, technical design, scale and line of address, weight, and rights. All drawings, descriptive matter, specifications and advertising by Elsevier or Elsevier's descriptions or illustrations contained in Elsevier’s catalogues or brochures are issued or published for the sole purpose of giving an approximate description of the Products and Services described therein. They will form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design, characteristics of the Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, modifying the agreed price.

3. General and modificability of the order

Any modifications to the order for the Products or Service delivery, schedule, budget or any other information under this order acknowledgement, must result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional charges are made (in accordance with the normal rates of the Client) in connection with the Client, the Client's existing order will be charged or to be borne by the Client. If any taxes, duties, tariffs, export quotas, import duties, or other levies are imposed on the export of any Product or Service or any part thereof attributable to the Client, the Client shall pay such taxes, duties, tariffs, export quotas, import duties, or other levies in full, or within such other time or manner as Elsevier may require, and shall indemnify Elsevier from and against all costs and expenses (including reasonable attorneys fees) incurred in connection therewith.

4. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing and in the price list for the Products and Services, the price of the Products and Services shall be exclusive of any taxes, duties, tariffs, export quotas, import duties, or other levies imposed on the export of any Product or Service or any part thereof. Except as otherwise expressly agreed by Elsevier in writing, all payments due under the TC shall be made without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Client has a valid tax certificate requiring an amount equal to each deduction to be paid by the Client to Elsevier. From the date of the invoice up to the date of payment, Elsevier may charge interest on the overdue amount at the highest rate of interest chargeable by the Client to its monthly average of the relevant period of July 2022 to June 2023. Where applicable, Client shall provide to Elsevier Client's VAT registration number or other information necessary for the calculation of any tax, duty, or levy payable by Elsevier as a result of the sale, transfer, or supply of the Products or Services. Elsevier shall not be liable for any direct or indirect losses or expenses incurred by the Client in obtaining such information or to the extent that such losses or expenses are borne by Elsevier. The Client shall be solely responsible for collecting from its customers amounts due in respect of the sale of the Products and Services, including, but not limited to, VAT, Excise Duty, Service Tax, and any other similar tax or fee that may be applicable to such sales. Delays or failures in obtaining such payments will not affect the Client's obligation to pay to Elsevier in the form of any payment or reimbursement.
