1. Applicability
Terms and conditions shall apply to all proposals, quotations, orders and agreements made by Elsevier and any party or parties to its order ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). These terms supersede any previous proposals, quotations, orders and agreements made by Elsevier and the Client.

2. Order and acceptance
Orders for Products and/or Services from the Client shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC.
