1. Applicability

These terms and conditions shall apply to the supply of products and services made by and to third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). These terms supersede any previous inducements, representations and agreements made orally or in writing between the parties or their agents.

2. Offer and acceptance/Description

The Client’s order for the supply of the Products and Services shall be deemed to be an offer subject to the Conditions and to be accepted by Elsevier only when written confirmation is received. The Client hereby acknowledges that it is familiar with the contents of the TC and accepts these conditions unconditionally. The Client’s failure to object to any non-conformity in the Products, or at any time thereafter, shall be deemed to be a waiver of any claim the Client may have against Elsevier in respect to such non-conformity. The Client is solely responsible for checking the order form and the TC and should contact Elsevier if any errors are found.

3. Execution and modification of the order

The Client shall not be entitled to change the scope of the Products or Services, the delivery schedule or the quantities specified under the order, or to cancel the order, unless Elsevier agrees in writing. The Client is also not entitled to change the delivery address or to return or reject delivery of any Products or Services without permission in writing from Elsevier. If there is a delay in delivery or the Client fails to perform any of its obligations, the Client shall pay to Elsevier the full amount of the order within the agreed time limits, even if the order is not fully delivered.

4. Prices, taxes and currencies

Prices quoted by Elsevier will be firm. Any discrepancies arising out of or related to the Advertising Content or Client’s breach or alleged breach of any of the foregoing warranties and representations will result in minimum liability, loss, damages, claims, or causes of action, including reasonable legal fees and expenses incurred by Elsevier, to be paid by the Client when they are delivered to Elsevier. Elsevier shall take reasonable care but shall not be liable for accidental loss or damage thereto. Elsevier shall not be liable for any technical or editorial errors or inaccuracies in the advertising content or for delays or failures in advertising.

5. Payment

If any payment is not made when due, interest at the rate of 1% per month shall accrue from the due date of the invoice to the date of payment in full. In the event of any dispute or failure to pay, Elsevier may suspend the supply of any products or services by the Client until full payment is made. The Client shall be liable for all costs incurred by Elsevier in connection with any legal actions or proceedings taken by Elsevier to recover any amounts due under the TC.

6. Audit

The Client shall allow Elsevier’s authorized representative at any reasonable time to have access to Client’s premises (or any of its offices) for the purpose of inspecting Client’s facilities, books and records to verify Client’s compliance with the TC. Any evidence of non-compliance with the TC shall be solely responsible at its own cost for completing any foreign exchange-related procedures in the said territory that are necessary to make payments to the Client, including without limitation all bank charges and foreign exchange charges.

7. Compliance with laws

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and generally prevailing custom and practice in the place of manufacture, delivery or sale of the Products, and shall not do, or permit any person to do, anything that will result in a violation of this representation and warranty, or any other representation or warranty made to Elsevier. Elsevier’s failure to enforce any representations or warranties by the Client does not nullify any such representations or warranties.

8. Liability and claims

To the maximum extent permitted by applicable law, Elsevier shall not be liable for any of the following losses which may be caused by any breach of this TC or any implied warranty, condition or other representation, or any statute, order or any party of any order on or extending to the Client: (a) any loss of profits; (b) any damage to reputation or goodwill; (c) any damage, costs or expenses required to be paid by the Client to any third party; (d) any loss of any use that can be foreseen by the Client and the Client has the TC entered into; or (e) any costs or expenses which can be foreseen by the Client and which the Client has the TC entered into. The Client agrees that Elsevier has the TC entered into for the Client’s own risk and that Elsevier is not liable for any loss or damage caused by any breach of this TC or any implied warranty, condition or other representation, or any statute, order or any party of any order on or extending to the Client.

9. Force majeure

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the exclusive jurisdiction of the courts of the said territory for the resolution of any dispute arising from the TC until such advance payment has been received. Elsevier shall be entitled to cancel the TC or any order placed under the TC if any of the above provisions are not fulfilled.

10. Audit

The Client shall be solely responsible at its own cost for completing any foreign exchange-related procedures in the said territory that are necessary to make payments to the Client, including without limitation all bank charges and foreign exchange charges.

11. Audit

The Client shall be solely responsible at its own cost for completing any foreign exchange-related procedures in the said territory that are necessary to make payments to the Client, including without limitation all bank charges and foreign exchange charges.

12. Compliance with laws

The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such a payment or other benefit to the Client.

13. Cancellations & Returns

The Client is solely responsible for collecting from its customers amounts due at the rate of the applicable exchange rate prevailing at the time of placing the order.

14. General

Nothing in the TC shall be construed as creating an obligation to indemnify the other party against the other party’s own liability. Elsevier’s liability for any other loss or failure to perform or for any other breach of any material term of this TC shall not exceed the invoice value of the part of the TC which relates to the违约部分 of the Products or Services.

15. Terms of Use

The Client agrees that the Client is responsible for collecting from its customers amounts due at the rate of the applicable exchange rate prevailing at the time of placing the order.
