Journal of Infection

Overview

The Journal of Infection publishes original papers on all aspects of infection - clinical, microbiological, epidemiological and molecular. The journal seeks to bring together knowledge from all specialities involved in the research and clinical practice of infection and to present the best work in this ever-changing field. The journal is among the leaders in its field and has an excellent ISI ranking (4.073 in 2012). With low referee times, a dedicated editorial team and a forward thinking approach it provides the best forum for original research.

The Journal of Infection is abstracted and indexed in:
EMBASE/Excerpta Medica, Index Medicus, Science Citation Index, Current Contents/Life Sciences, SCISEARCH, Research Alert, Medical Documentation Service and CAB Abstracts / CAB Health.

1. Applicability

These terms and conditions shall apply to all proposals, offers, and purchase orders made in accordance with the Terms and Conditions of Supply (“the TC”) except in cases where the Client has a different agreement with Elsevier which will prevail. Any variations to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraud or fraudulent misrepresentation.

2. Offer and acceptance

Each order placed by the Client for the Products and Services subject to the TC has an offer by Elsevier. The Client shall be deemed accepted until written acknowledgement of order is received by Elsevier or Elsevier delivers the order or issues the invoice to the Client or commencement performance of the Services for the Client. All order acceptance are subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, Customer represents and warrants that it is purchasing Products from Elsevier for its own use and not on behalf of and other person or entity. Customer represents and warrants that it is purchasing the Products and Services from Elsevier for the client and not for some other entity identified as “principal” or “agent” as the case may be. If the order is placed for personal subscriptions in the relevant country, for the account and use of no more than one identifiable individual subscriber for personal use. Customer acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier and upon any violation of this representation and warranty, Elsevier shall be entitled to immediate remedial relief requiring the Client to dissolve all recipients of Products and Services from Elsevier on which all of the Client or any returns of the products shall be subject to the relevant Elsevier company’s return policy. In the event of such a return, the Client shall be entitled to apply any monies received by the Client to clear any of the Client’s outstanding debts to Elsevier.

3. Execution and modification of the Order

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If at the request of the Client, Elsevier modifies additional terms, the Client shall promptly notify Elsevier of such changes. Any such modifications or adjustments shall be at the sole discretion of Elsevier and Elsevier shall not be responsible for any changes in the modification or adjustment.

4. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing, the price for the Products and Services is Elsevier’s current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of all taxes, duties or other imposed levies on the sale or supply of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide to Elsevier a VAT registration number or other tax identification number to facilitate the performance of the terms set forth in this TC. Any modifications to the agreed price or any changes in the terms and conditions of payment will be confirmed in writing by Elsevier. Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are incurred or committed/contracted from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant advertising deadline. No new external advertising can be accepted after such advertising deadline. Any returns of the products shall be subject to the relevant Elsevier company’s return policy. In the event of such a return, the Client shall be entitled to apply any monies received by the Client to clear any of the Client’s outstanding debts to Elsevier.

5. Non-payment

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is prevented from so doing by such event and to the extent possible.

6. Intellectual property

The Client shall be solely responsible for collecting all sums due and owing from the sale of the Products, and making payment in full for all sums due and owing from the sale of the Products. The Client shall be solely responsible for paying any and all collection, legal or other fees and expenses incurred by Elsevier in collecting the sums due and owing from the sale of the Products. The Client agrees that Elsevier is the sole owner of any intellectual property rights, and nothing shall be construed to grant the Client or any of its affiliates or subsidiaries any license to, or right of use in, or to any Elsevier’s trademarks, patents, trade names, copyrights, trade secrets, or any other intellectual property rights or assets.
