Journal of Infection

Overview

The Journal of Infection publishes original papers on all aspects of infection - clinical, microbiological, epidemiological and molecular. The journal seeks to bring together knowledge from all specialities involved in the research and clinical practice of infection and to present the best work in this ever-changing field. The journal is among the leaders in its field and has an excellent ISI ranking (4.073 in 2012). With low referee times, a dedicated editorial team and a forward thinking approach it provides the best forum for original research.

The Journal of Infection is abstracted and indexed in:
EMBASE/Excerpta Medica, Index Medicus, Science Citation Index, Current Contents/Life Sciences, SCISEARCH, Research Alert, Medical Documentation Service and CAB Abstracts / CAB Health.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability These terms and conditions shall apply to all orders and proposals made by Elsevier and shall apply to all it's order and to its third party orders ("the Client") relating to the products and/or services delivered by Elsevier ("the Products and/or Services") and any related advertising. If in any event else otherwise agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraud or fraudulent misrepresentation.

2. Offer and acceptance/ Description Each order for the products and services by the Client from Elsevier shall be deemed to be an offer to Elsevier to supply the products and services subject to this TC. No order placed by the Client shall be deemed accepted unless written acknowledgement of the order in issued by Elsevier. If there is more than one TC, then the Client agrees that the applicable TC shall be as follows: (i) the TC that includes the latest schedule or up-dated schedule of TC, and (ii) the TC that includes the latest copy or up-dated copy of the TC that includes the latest schedule or up-dated schedule of TC.

3. Execution and modification of the order the Client shall, in the event of any changes in the Products of services or advertisement, be made in writing by the Client to Elsevier. In the event of any modifications made to the advertisement according to the Client's request, it may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier makes additional payments, the Client shall be responsible for the cost of such additional payments.

4. Payment Unless otherwise agreed by Elsevier in writing, the payment for the products shall be made in accordance with the terms and conditions of supply. In the event of any changes in the payment terms, the Client shall be responsible for the cost of such changes.

5. Delivery Unless otherwise agreed by Elsevier in writing, the delivery of the products shall be made in accordance with the terms and conditions of supply. In the event of any changes in the delivery terms, the Client shall be responsible for the cost of such changes.

6. Distribution Unless otherwise agreed by Elsevier in writing, the distribution of the products shall be made in accordance with the terms and conditions of supply. In the event of any changes in the distribution terms, the Client shall be responsible for the cost of such changes.

7. Audit Unless otherwise agreed by Elsevier in writing, the audit of the products and services shall be made in accordance with the terms and conditions of supply. In the event of any changes in the audit terms, the Client shall be responsible for the cost of such changes.

8. Compliance with laws The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and administrative orders (hereinafter "Laws") relevant to its duties, obligations and performance under this Agreement, including, without limitation, Laws respecting all matters, specifications and advertising issued by Elsevier and any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued or published for the purpose of giving an accurate description of the Products and Services described therein. They will meet all forms of the TC. The Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design. The Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, modifying the agreed price.

9. Client's representations and warranties The Client is responsible for obtaining all necessary consents from third parties to whom or to which the Client shall supply or sell the Products and Services, and shall indemnify Elsevier for any claims arising out of the Client's failure to obtain any such consents. If the Client supplies or sells the Products and Services, it shall indemnify Elsevier for any claims arising out of the Client's failure to obtain any such consents.

10. Client's obligations The Client shall be solely responsible for collecting its accounts receivable and remitting the amounts due to Elsevier in accordance with the terms and conditions of supply. The Client shall not be responsible for any losses or damages incurred by Elsevier as a result of the Client's failure to comply with any of the terms and conditions of supply.

11. Audit The Client shall be responsible for performing any audits or inspections of the Products or Services ordered by the Client, and shall be solely responsible for ensuring that all audits or inspections are conducted in accordance with the terms and conditions of supply. The Client shall not be responsible for any losses or damages incurred by Elsevier as a result of the Client's failure to comply with any of the terms and conditions of supply.

12. Compliance with laws The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier may assign any of its rights or obligations under the TC to any third party without the consent of the Client. The Client shall be responsible for any losses or damages incurred by Elsevier as a result of the Client's failure to comply with any of the terms and conditions of supply.
