Journal of Infection

Overview

The *Journal of Infection* publishes original papers on all aspects of infection - clinical, microbiological, epidemiological and molecular. The journal seeks to bring together knowledge from all specialities involved in the research and clinical practice of infection and to present the best work in this ever-changing field. The journal is among the leaders in its field and has an excellent ISI ranking (4.073 in 2012). With low referee times, a dedicated editorial team and a forward thinking approach it provides the best forum for original research.

The *Journal of Infection* is abstracted and indexed in: EMBASE/Excerpta Medica, Index Medicus, Science Citation Index, Current Contents/Life Sciences, SCISEARCH, Research Alert, Medical Documentation Service and CAB Abstracts / CAB Health.

Visit Website
Audience
Readership profile consists of various allied specialists, in particular infectious disease clinical specialists, microbiologists, epidemiologists, haematologists and laboratory workers.

Editor-in-Chief
Professor Robert Read, UK.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to offers, proposals, and agreements made by Elsevier to buy, sell, or exchange any third party's products or services. All orders, agreements, and transactions that involve the purchase of such products or services shall be subject to these terms and conditions. Any purchases or exchanges made by or on behalf of the Client shall be considered as an acceptance of these terms and conditions.

2. Definitions

For the purposes of these terms and conditions, the following definitions shall apply:

Definition 1: Client

The Client shall mean the person or entity that places an order for the purchase of products or services.

Definition 2: Products

The Products shall mean any products or services provided by Elsevier, including, but not limited to, advertising space, subscriptions, and publications.

Definition 3: Services

The Services shall mean any services provided by Elsevier, including, but not limited to, advertising space, subscriptions, and publications.

3. Acceptance of order

All orders placed by the Client shall be deemed accepted upon receipt of a written acknowledgement by Elsevier or when the Services or products are delivered to the Client.

4. Prices, taxes, and currencies

All prices quoted are exclusive of VAT and other taxes and duties which may be applicable. VAT will be charged at the rate in force at the time of invoicing, and such tax shall be paid by the Client. The Client will be required to provide evidence of tax exemption to Elsevier at the time of placing its order. If, under the terms of any law or treaty, ive or otherwise, the Client has a right to reduce or avoid any tax, the Client shall pay Elsevier any amount equal to such reduction or avoidance.

5. Payment

The Client shall pay Elsevier for all Services or products delivered or provided within the agreed period and in the agreed manner. Any changes to the payment terms shall be subject to the written agreement of both parties.

6. Delivery

All deliveries shall be made according to the agreed schedule and terms of delivery. The Client shall be responsible for all costs and expenses incurred in connection with the delivery of the Products or Services.

7. Liability and claims

Elsevier shall be liable for any loss or damage caused by its negligence or breach of contract. The Client shall indemnify Elsevier against any claims, costs, or expenses arising from the Client's breach of these terms and conditions.

8. Auditor and reporting

The Client is responsible for ensuring that all invoices, orders, and payments are accurate and complete. Elsevier reserves the right to audit any records or transactions relating to the Client's accounts.

9. Resale

The Client is not allowed to resell the Products before ownership has passed to it provided that any sale shall be effected in the ordinary course of business and in compliance with any applicable laws or regulations.

10. Warranty

The Client acknowledges that Elsevier's liability is limited to the extent provided for by law. The Client shall not be entitled to any remedy or compensation for any breach of these terms and conditions.

11. Compliance with laws

The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any person or entity for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

12. Intellectual property

The Client acknowledges that all intellectual property rights, including, but not limited to, copyrights, trademarks, and patents, are the property of Elsevier. The Client shall not use or exploit any intellectual property rights without the prior written permission of Elsevier.

13. Amendment and modification

Any amendments or modifications to these terms and conditions shall be in writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier's liability for death or personal injury caused by the Client's own negligence or wilful intent or the negligence of its employees or others for whom the Client is legally responsible.

14. Governing laws

These terms and conditions shall be governed by and construed in accordance with the laws of the jurisdiction in which Elsevier has its registered office. Any dispute arising from these terms and conditions shall be subject to the jurisdiction of the courts of that jurisdiction.

Additional terms and conditions may apply to specific orders or agreements.
