Journal of Infection

Overview

The *Journal of Infection* publishes original papers on all aspects of infection - clinical, microbiological, epidemiological and molecular. The journal seeks to bring together knowledge from all specialities involved in the research and clinical practice of infection and to present the best work in this ever-changing field. The journal is among the leaders in its field and has an excellent ISI ranking (4.073 in 2012). With low referee times, a dedicated editorial team and a forward thinking approach it provides the best forum for original research.

The *Journal of Infection* is abstracted and indexed in:
EMBASE/Excerpta Medica, Index Medicus, Science Citation Index, Current Contents/Life Sciences, SCISEARCH, Research Alert, Medical Documentation Service and CAB Abstracts / CAB Health.

1. Applicability

These terms and conditions shall apply to all proposals, offers, communications, orders, and any contracts made Between Elsevier and any third party or its agents ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties ("the TC"). They supersede any previous communications, orders, and any agreements made Between the Client and any third party product or service provider which may be subject to additional terms.

2. Offer and acceptance/ Description

Unless otherwise agreed by Elsevier in writing, the offer to supply any Product or service described in this TC is made subject to the Client's written acceptance of the relevant order acknowledgement, which may be in an agreement to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reads additional evidence to the nature and extent of the effects of the event upon the provision of the TC and to avoid the effects of such event to the extent possible. In such event, Elsevier may either (i) publish alternative Advertising Content in consultation with the Client or (ii) terminate the contract. The Client shall not be responsible for collecting or refunding any service fees or other amounts owed to any other party or for engaging in any activities except those authorized by Elsevier in writing. The Client shall promptly deliver Elsevier of any breach of any of the provisions of this TC and to avoid the effects of such event to the extent possible. In such event, Elsevier may either (i) publish alternative Advertising Content in consultation with the Client or (ii) terminate the contract. The Client shall not be responsible for collecting or refunding any service fees or other amounts owed to any other party or for engaging in any activities except those authorized by Elsevier in writing. The Client may, at any time, remove any Products from Elsevier or its affiliates in accordance with the terms of this TC. The Client must notify Elsevier if it becomes aware of any breach of the terms of this TC. The Client may, in such event, Elsevier may either (i) publish alternative Advertising Content in consultation with the Client or (ii) terminate the contract. The Client shall not be responsible for collecting or refunding any service fees or other amounts owed to any other party or for engaging in any activities except those authorized by Elsevier in writing. The Client may, at any time, remove any Products from Elsevier or its affiliates in accordance with the terms of this TC.
