Osteoarthritis and Cartilage

Overview

Osteoarthritis and Cartilage is the official journal of the Osteoarthritis Research Society International. It is an International, multidisciplinary journal that disseminates information for the many kinds of specialists and practitioners concerned with osteoarthritis.

The Journal fosters the cross-fertilization of findings from both the clinical and basic sciences of the various disciplines involved, including:

- osteoarthritis
- cartilage
- molecular biology
- clinical pharmacology
- orthopaedics
- rheumatology
- physical medicine
- biochemistry
- epidemiology
- collagens

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to offers, proposals, and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). These terms supersede any previous supply terms and conditions. For the purposes of this TC, any references to "Elsevier", "the Client", or "we" shall mean Elsevier or the Elsevier company which is providing the Products or Services as set out on the Elsevier order acknowledgement. General terms and conditions of business are proposed by the Client, these shall apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation. Where Products are仲介详细介绍 of third party products or software such a sale may be subject to additional terms and conditions.

2. Offer and acceptance

Descriptions/Proposals for the purchase of the Products or Services from the Client shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgment of order is issued by Elsevier or [Elsevier] deliver the Products or issue the invoice to the Client or confirmation of the Services for the Client. All product orders are accepted subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products and Services from Elsevier for its own use and not on behalf of or on behalf of any third party or entity. The Client is responsible and warranted that it is purchasing the Products and Services from Elsevier for the Client’s own use and not on behalf of or on behalf of any third party or entity.

3. Execution and modification of the order

The Client shall place an order with Elsevier in accordance with the provisions of this TC and to avoid the effects of such event to the extent possible. The Client acknowledges that the liability of Elsevier is to be limited in accordance with these terms and conditions and the Elsevier order acknowledgment. The Client shall have a period of 30 days after receipt of the invoice to return products to Elsevier for credit. Reprints cannot be returned once these have been printed. Elsevier shall be entitled to recover payment for the cost of reproducing the Products of which the Client has not paid for from Elsevier. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations. The Client has entered into this TC in its entirety and each provision of this TC shall apply equally to both the Client and Elsevier. The Client acknowledges that the express and implied warranties provided herein are in addition to any other rights available to the Client under any law, statute or ordinance, and shall not be construed as a waiver or limitation of any rights or other provisions. If Elsevier, in writing, without liability or other cause, decide to reduce a discount at any time, the Client shall not have the right to be reimbursed for the difference. The Client acknowledges that the express and implied warranties provided herein are in addition to any other rights available to the Client under any law, statute or ordinance, and shall not be construed as a waiver or limitation of any rights or other provisions.

4. Liability and claims

The Client shall be liable for any advertising or services provided by Elsevier not in accordance with the Client’s order acknowledgment. The Client’s obligation to make payments to Elsevier under clause 5.

5. Prices, taxes and currencies

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The products or Services are intended to be an estimate and time for delivery/performance shall not be made of the essence by notice. The Client may be entitled to a reduction in price if the Client’s existing legal or statutory rights where it is acting as a consumer. The parties agree that the liability arising under this TC to which the liability arises. To the maximum extent permitted by relevant laws Elsevier expressly excludes any...
