Journal of Clinical Neuroscience

Overview

This International journal, *Journal of Clinical Neuroscience*, publishes articles on clinical neurosurgery and neurology and the related neurosciences such as neuropathology, neuroradiology, neuroophthalmology and neurophysiology. The journal has a broad international perspective, and emphasises the advances occurring in Asia, the Pacific rim region, Europe and North America. The *Journal* acts as a focus for publication of major clinical and laboratory research, as well as publishing solicited manuscripts on specific subjects from experts, case reports and other information of interest to clinicians working in the clinical neurosciences.
Affiliation
The official journal of the Neurosurgical Society of Australasia, the Australian and New Zealand Society for Neuropathology, the Taiwan Neurosurgical Society, and the Asian Australasian Society of Neurological Surgeons.

Editor-in-Chief
Charles Liu

1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made by and between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire understanding between the parties for the "T&Cs". They supersede any previous understandings, agreements or communications between the parties relating to the subject matter of these terms and conditions. These terms and conditions may not be amended, supplemented or modified by any course of conduct or custom or usage of trade inconsistent with these terms and conditions. All terms and conditions of business are proposed by the Client, these shall apply and the T&C's prevail. Any variation to the T&C's and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signatory of Elsevier. Nothing in the T&C will exclude or limit Elsevier's Liability for fraudulent misrepresentation.

Products are subject to products and/or software such a tax may be subject to additional terms.

2. Offer and acceptance

Offers and Quotations made by Elsevier to the Client from Elsevier shall be no offer to the Client to purchase the Products and Services subject to the T&C. No offer placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [Further] Elsevier delivers the Products or issues the invoice to the Client and provides the Client with a delivery note. All products are subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products from Elsevier for its own use and not and not of the Products and/or Services shall be subject to the Client's sole and exclusive responsibility for compliance with all relevant laws and regulations, including, without limitation, any requirements regarding export control, to which the Products and Services may be subject. Client acknowledges and agrees that it has had full knowledge and opportunity to determine that the liability of Elsevier is to be limited in accordance with these terms and conditions and the Client agrees not to hold Elsevier liable for any direct, indirect, special, exemplary, punitive or consequential or other damages, losses or costs incurred in connection with the Products and Services.

3. Price, taxes and currencies

Unless otherwise agreed by Elsevier in writing the selling price (the Products and Services) or in Elsevier's current price list (whereon print or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of all taxes, duties or other levies imposed on the sale or supply of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide to Elsevier's VAT registration number or other relevant information. The Client shall pay to Elsevier the full invoice price, together with any cost of handling, packing, loading, freight, transport and insurance of the Products and Services.

4. Liability and claims

The Client acknowledges that these T&Cs contain the entire understanding between the parties relating to the subject matter of these terms and conditions. Any returns of the products shall be subject to the relevant Elsevier company's return policy. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier and/or its customers. Upon any such violation of this representation and warranty, Elsevier shall be entitled to seek injunctive relief as well as damages. The Client acknowledges that all products and services are sold "as is" and "where is" and that Elsevier does not guarantee the accuracy, completeness, validity or reliability of the content or services provided through the Products and Services. The Client acknowledges that these T&Cs are subject to change without notice and that Elsevier reserves the right to change the T&Cs at any time, in its sole discretion. The Client acknowledges that these T&Cs are the final and complete expression of the agreement between the Client and Elsevier and that they supersede any prior agreements, understandings or communications relating to the subject matter of these terms and conditions. The Client acknowledges that these T&Cs are the final and complete expression of the agreement between the Client and Elsevier and that they supersede any prior agreements, understandings or communications relating to the subject matter of these terms and conditions. The Client acknowledges that these T&Cs are the final and complete expression of the agreement between the Client and Elsevier and that they supersede any prior agreements, understandings or communications relating to the subject matter of these terms and conditions.

5. General and modification of these T&Cs

Any modification to the terms and conditions of any product or service description, budget or schedule, in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reads additional

6. Distribution

The Client shall not assign, license, reproduce, republish or in any other manner distribute or otherwise permit or authorize the reproduction or distribution of the Products and/or Services. The Client shall ensure that such materials are not distributed in violation of any of Client's advertising and/or terminate this TC if Elsevier determines, in its sole discretion, that the Advertising Content is not in compliance with any applicable advertising laws, rules or regulations or industry codes or if Elsevier is directed to do so by any law enforcement or similar authority.

7. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, act of God, war, terrorism, or appropriation or other causes beyond the control of a party, such party is unable to perform in part or in whole such obligations under these terms and conditions, the non-performing party shall be excused from its obligations under these terms and conditions to the extent of such force majeure events.

8. Payments

If the Client is considering submitting an offer for the Products and/or Services, the Client shall be responsible for collecting from the Client's customers and any third parties the price agreed upon and paid in accordance with the terms and conditions of these terms and conditions. The Client shall be responsible for paying the price in full upon receipt of the Products and/or Services and shall be responsible for any duties, taxes, or other levies imposed on the sale or supply of the Products and/or Services by local or national authorities, which shall be charged by Elsevier as appropriate.

9. Delivery

In respect of any returns of the Products delivered to Elsevier, the Client shall be responsible for any duties, taxes, or other levies imposed on the sale or supply of the Products and/or Services by local or national authorities, which shall be charged by Elsevier as appropriate.

10. Advertising & Reprints

The Client shall have the right to cancel the order for that advertisement, if the alterations requested are unacceptable, unless such changes are made within the period specified in these terms and conditions. Elsevier reserves the right to make any such alterations as it deems necessary to comply with applicable laws, rules or regulations or industry codes. The Client represents and warrants that it holds the necessary rights and permissions to license any content or other material to Elsevier.

11. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire understanding between the parties for the "T&Cs". They supersede any previous understandings, agreements or communications between the parties relating to the subject matter of these terms and conditions. These terms and conditions may not be amended, supplemented or modified by any course of conduct or custom or usage of trade inconsistent with these terms and conditions. All terms and conditions of business are proposed by the Client, these shall apply and the T&C's prevail. Any variation to the T&C's and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signatory of Elsevier. Nothing in the T&C will exclude or limit Elsevier's Liability for fraudulent misrepresentation.
