1. Applicability:

These terms and conditions shall apply to all proposals, offers and orders made by and between any third party client ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous understandings or agreements between the parties.

2. Offer and acceptance:

Unless otherwise agreed by Elsevier in writing, all proposals, offers and orders made by and between any third party client ("the Client") shall be deemed to be irrevocable once accepted by Elsevier, and any such acceptance shall conform to the provisions of the TC as accepted by Elsevier. Elsevier shall not be bound by any offer or order which is made in any form other than in writing, signed by an authorized representative of Elsevier, and in any event, Elsevier's liability for any non-performance of the order shall be limited to the amount of any monies received by the Client, and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in performing or partially performing any of its obligations under the TC, shall not relieve the Client of its obligations to Elsevier under the TC, nor shall it be deemed to be sufficient reason for waiving or amending the TC, or to extend the time for performance of any of its obligations.

3. Execution and modification of the order:

Any modifications to the TC or any part of the order or description, shall be in writing and accepted by Elsevier in writing. If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing in accordance with the TC. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the time of cancellation.

4. Prices, taxes and currency:

Unless otherwise agreed by Elsevier in writing, the prices for the Products and Services in the Client's order shall be at Elsevier's current price list (whether public or private, and subject to change at any time, in the sole discretion of Elsevier). All prices shall be quoted exclusive of any增值税 (VAT) or other similar taxes or duties that may be charged by Elsevier or the Client, as the case may be. The Client shall be responsible for and shall pay all taxes or duties that may be levied on the Products or Services. The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any individual, corporation or body, or reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

5. Breach of this TC by Client:

The Client must indemnify Elsevier for any losses, costs or expenses, including reasonable legal fees and expenses incurred by Elsevier, in connection with any claim or action brought by any third party against Elsevier as a result of a breach of this TC by the Client. Further, Elsevier may terminate this TC at any time in the event of a breach of this TC by the Client, or in the event of a breach of this TC by the Client.

6. Performance of the Client:

The Client must ensure that all information, reproduction or publication of any Product or any other product of Elsevier in its name, shall be in accordance with all applicable laws, rules, industry codes, regulations and generally prevailing custom and practice. Elsevier shall be entitled to apply any monies received by the Client, to clear any of the Client's outstanding debts to Elsevier. The Client has entered into this TC in its personal capacity and shall be responsible for all costs or expenses incurred by Elsevier in connection with any claim or action brought by any third party against Elsevier as a result of any breach of this TC by the Client. If Elsevier cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing in accordance with the TC. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the time of cancellation.
