Overview

The *Journal of Stroke and Cerebrovascular Diseases* is a peer-reviewed scientific and clinical journal focused on many important issues related to stroke, including outcomes research in stroke, pediatric stroke, stroke rehabilitation, neurovascular intensive care, endovascular intervention in stroke, patient and family perspectives, and the ethical and social aspects of stroke. The Journal has a distinguished editor and editorial board that reflect the broad and interdisciplinary nature of the field.

### 1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreement between the parties for the TC.

### 2. Execution and modification of the order

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and delivery/schedule at Elsevier's discretion. If, at the request of the Client, Elsevier modifies additional terms of the TC, the Client shall promptly notify Elsevier in writing and the modified terms shall apply from the date of receipt of the written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad being published.

### 3. Compliance with laws

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations and industry codes or any rights of any third parties including, but not limited to, infringement or violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring the Client to disclose all recipients of the Products or Services and remove from its premises all copies thereof. Elsevier shall severely commercially reasonable efforts to comply with descriptions of the Products and Services agreed by both parties in the relevant order, including such things as formatting, typesetting, design, size and of address, weight, format and the like. A drawdown, descriptive matter, specifications and advertising text in Elsevier's catalogues or brochures are issued or published for the sole purpose of giving an approximate description of the Products and Services described therein. They will form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, modifying the agreed price.

### 4. Client's obligations in writing

Orders placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [Elsevier]. Elsevier shall be entitled to vary the price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier modifies any part of the TC, the Client shall promptly notify Elsevier in writing. The Client shall be solely responsible for collecting from its customers any amounts due under the TC, exercising full credit control and safely keeping all of its records relating to any sums outstanding. Delays or defaults in obtaining such payments will not affect the Client's obligations to make payments to Elsevier under the TC.

### 5. Taxes

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of cancellation. No new external or internal costs will be incurred as a result of the contract being terminated. On cancellation of an order, all claims, whether for payment or for return of excess payments, shall be made to Elsevier. At Elsevier's discretion, Elsevier may make any adjustment to the price and/or delivery schedule at the request of the Client. All invoices issued by Elsevier shall be deemed to be final and binding upon the Client and shall not be subject to dispute. Where the Client is indebted to Elsevier for any other services rendered by Elsevier, a rate of 1% may be charged to the Client on a monthly basis for any sums outstanding, together with any collection fees incurred by Elsevier in recovering such sums. Where the Client wishes to dispute any invoice or part of an invoice, the Client shall, as soon as reasonably practicable, but no later than the due date of such invoice, send full details of such dispute to Elsevier. Where the Client is indebted to Elsevier for any other services rendered by Elsevier, the Client shall be entitled to withhold payment of the Products or Services under the current order until such outstanding invoices are fully paid. Elsevier shall be entitled to apply any monies received by the Client to any of the Client's outstanding debts to Elsevier.

### 6. Distribution

The Client shall not engage, license, reproduce or plagiarize the Products or any other products of Elsevier in its affairs, nor shall it directly or indirectly facilitate or assist any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers any amounts due under the contract and ensuring full credit control and safely keeping all of its records relating to any sums outstanding. Delays or defaults in obtaining such payments will not affect the Client's obligations to make payments to Elsevier under the TC.

### 7. Intellectual property

If any part of the Products or Services are not delivered to Elsevier. Elsevier shall act in the name of, to the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery of performance and the Services are intended to be an estimate and the time for delivery/performance shall not be made of the essence by notice. Where the Client is indebted to Elsevier for any other services rendered by Elsevier, a rate of 1% may be charged to the Client on a monthly basis for any sums outstanding, together with any collection fees incurred by Elsevier in recovering such sums. If, under the laws of the territory in which Elsevier is located or of any other jurisdiction, Elsevier has any claim against the Client for non-payment, the Client shall pay to Elsevier, in addition to any other amounts which Elsevier is entitled to claim from the Client, such interest at the rate of any claim against the Client for non-payment, the Client shall pay to Elsevier, in addition to any other amounts which Elsevier is entitled to claim from the Client, such interest at the rate of
