Journal of Stroke and Cerebrovascular Diseases

Overview

The *Journal of Stroke and Cerebrovascular Diseases* is a peer-reviewed scientific and clinical journal focused on many important issues related to stroke, including outcomes research in stroke, pediatric stroke, stroke rehabilitation, neurovascular intensive care, endovascular intervention in stroke, patient and family perspectives, and the ethical and social aspects of stroke. The Journal has a distinguished editor and editorial board that reflect the broad and interdisciplinary nature of the field.

1. Applicability

These terms and conditions are applicable to all proposals, terms and conditions and any third party or its agency (the “Client”) relating to the products and/or services of Elsevier (the “Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entirety of the agreement between the parties (the “TC”). They supersede any previous version of the TC and shall govern the relationship between the Client and Elsevier. All subsequent orders and supply shall be in accordance with the TC. Any variation to the TC and any representations about the Products and Services shall not affect the requirement of the TC unless expressly agreed in writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation.

2. Offer and acceptance

Unless otherwise agreed by Elsevier in writing, the offer to supply the Products and Services by the Client from Elsevier shall be deemed to be an offer to supply the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client or confirms performance of the Services for the Client. All products and services are made available subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products and Services from Elsevier for its own use and not on behalf of and/or any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the Client without and for no other reason beyond its own personal interest or personal gain.

3. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing the prices for the Products and Services are the prices set out in Elsevier’s current price list (whether printed or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall also be exclusive of any, import duty or other levies imposed on the sale or export of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide to Elsevier’s VAT registration number or other details as required.

4. Liability and claims

Elsevier shall not be liable for any of the following losses which may be the result of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law: (a) any loss of anticipated profits or expected future benefit; (b) damage to reputation or goodwill; (c) any damages, costs or expenses including indirect costs or expenses unless the Client has a valid court order requiring an amount equal to such deduction to be paid to the Client. From the due date of the invoice to the due date of payment in full, interest at the rate of 1% per month shall be charged to the Client for any amount outstanding. In the event of a breach of this TC by the Client, Client shall promptly notify Elsevier of the breach and agree to rectify such breach and to proceed with the TC in accordance with the terms of the TC.

6. Distribution

The Client shall not engage, promote, reproduction or plagiarize any of the products or services of Elsevier or its affiliates, nor shall it engage in any unauthorized or unlicensed reproduction or distribution. The Client has the right to give notice to cease making any such unauthorized and unlicensed reproduction or distribution. The Client shall not engage, promote, reproduction, or plagiarize the products of any third party, nor shall it engage in any unauthorized reproduction or distribution. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or publication of the products by any third party. The Client shall be solely responsible for collecting from its customers an amount due in relation to its sale of the products, ensuring full credit control and safely storing all of its own returns from any unauthorized sales. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or publication of the products by any third party. The Client shall be solely responsible for collecting from its customers an amount due in relation to its sale of the products, ensuring full credit control and safely storing all of its own returns from any unauthorized sales.

7. Intellectual property

Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it engage in any unauthorized or unlicensed reproduction or distribution of the Products or any other products of Elsevier or its affiliates. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or publication of the products by any third party. The Client shall be solely responsible for collecting from its customers an amount due in relation to its sale of the products, ensuring full credit control and safely storing all of its own returns from any unauthorized sales.
