Journal of Surgical Research

Overview

The Journal of Surgical Research: A Journal of Clinical and Laboratory Investigation publishes original articles concerned with clinical and laboratory investigations relevant to surgical practice and teaching. The journal emphasizes reports of clinical investigations or fundamental research bearing directly on surgical management that will be of general interest to a broad range of surgeons and surgical researchers. The articles presented need not have been the products of surgeons or of surgical laboratories. The Journal of Surgical Research also features review articles and special articles relating to educational, research, or social issues of interest to the academic surgical community.

1. Applicability

These terms and conditions shall apply to all offers, proposals, agreements made between Elsevier and any third party ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous understandings, representations or agreements. The Client agrees to be bound by the terms of these terms and conditions and acknowledges that it has read and understands the terms of these terms and conditions.

2. Offer and acceptance/ Description

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous understandings, representations or agreements. The Client agrees to be bound by the terms of these terms and conditions and acknowledges that it has read and understands the terms of these terms and conditions.

3. Execution and modification of the order

No contract shall be concluded for the supply of the Products and/or Services, unless and until these terms and conditions are written and confirmed in writing by Elsevier or Elsevier’s authorized representative.

4. Intellectual property

Client shall allow Publisher’s authorized representative at any reasonable time to have access to Client’s premises (or sub-contractors’ premises) for the purpose of inspecting Client’s facilities, books and records to verify Client’s compliance with the TC.

5. Liability and claims to THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS

Elsevier shall not be liable for any of the following losses which may arise by reason of any breach of this TC or its implied warranty, condition or other representation or any duty imposed on Elsevier by operation of law: (a) any loss of anticipated profits or expected future business; (b) damage to reputation or goodwill; (c) any damages, costs or expenses which they may suffer by reason of any breach of this TC on the part of any of Elsevier’s employees or other parties on whose behalf Elsevier is acting or which Elsevier will be solely responsible for enforcing any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC. The Client shall hold Elsevier harmless from, and against all losses, costs and expenses, including reasonable legal fees and expenses incurred by Elsevier, which it shall suffer by reason of any such breach.

6. Distribution

The Client shall not engage, associate, reproduce, or plagiarize any material of the Products or any other products of Elsevier or its affiliates, unless it shall have received written authorization from Elsevier to do so.

7. Force majeure

Each party shall be entitled to suspend the performance of the TC in whole or in part if it is prevented or delayed by any circumstances beyond its reasonable control, including force majeure.

8. Prices, taxes and currency

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous understandings, representations or agreements. The Client agrees to be bound by the terms of these terms and conditions and acknowledges that it has read and understands the terms of these terms and conditions.

9. Compliance with laws

The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such an employee or official to influence any decision, recommendation, specification, or action made by the Client with respect to any matter, including, but not limited to, the selection, specification, or acceptance of any of Elsevier’s services or the execution or performance of a contract entered into by the Client.

10. Payment

If the Client is indebted to Elsevier for any other reason, Elsevier reserves the right to withhold supply of the Products or Services until such advance payment has been received. Where the Client is indebted to Elsevier for any other reason, Elsevier reserves the right to witheld supply of the Products or Services until such advance payment has been received.
