Overview

The *Journal of Surgical Research*: A Journal of Clinical and Laboratory Investigation publishes original articles concerned with clinical and laboratory investigations relevant to surgical practice and teaching. The journal emphasizes reports of clinical investigations or fundamental research bearing directly on surgical management that will be of general interest to a broad range of surgeons and surgical researchers. The articles presented need not have been the products of surgeons or of surgical laboratories. The *Journal of Surgical Research* also features review articles and special articles relating to educational, research, or social issues of interest to the academic surgical community.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to all proposals, offers and agreements made between the Publisher and the Client (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"), unless otherwise mutually agreed in writing. The TC replaces any previous agreements between the parties. The Publisher shall provide the products or services set out in the order acknowledgment. Unless otherwise expressly agreed by Elsevier in writing, these terms and conditions shall apply to all orders placed by the Client, unless otherwise agreed in writing. Elsevier may at its sole discretion require the Client to complete a credit application form and may, at its sole discretion, require a deposit or advance payment on all orders. Charges and payments may be made in accordance with the exchange rates ruling on the date of the invoice.

2. Execution and modification of the order

Modification of any order shall be effective only if made in writing and signed by duly authorized signatory of the Client. Any claim by the Client relating to Typographical errors, having no significant effect on the editorial content, as well as typographical and clerical errors, shall be deemed to be就此自然。
