Annals of Emergency Medicine

Overview

Annals of Emergency Medicine is the leading clinical research journal in the specialty. Annals holds the highest ranking for citation frequency and impact factor of any emergency medicine journal listed by Thomson’s Scientific’s Journal Citation Reports. As the official journal of the American College of Emergency Physicians (ACEP), Annals presents pertinent information encompassing clinical studies, case reports, basic research, and discussion of topics germane to emergency medicine.

2. Applicability

Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are necessary to perform the Services or the execution or performance of a contract provided that such payments are permissible under the Applicable monies or anything of value to any commercial contact or Government Official for the purpose or intent to induce such person to use such value for personal gain or for that of Elsevier or Elsevier's affiliates (any such act, a "Prohibited Payment"). A Prohibited Payment includes, but is not limited to, any payment of funds or anything of value to a Government Official for the purpose or intent to influence a Government Official to use such value for personal gain or for that of Elsevier or Elsevier's affiliates. A Prohibited Payment includes, but is not limited to, any payment of funds or anything of value to an Official of any Political subdivision of any Government or any employee of or representative of any Government, whether or not such Prohibited Payment is intended as a contribution to any political campaign or candidate. A Prohibited Payment also includes, but is not limited to, any payment of funds or anything of value to a Government Official for the purpose or intent to induce such person to use such value for personal gain or for that of Elsevier or Elsevier's affiliates.

In connection with the Services, Elsevier shall, in its sole discretion, be entitled to request any information, documentation, and records related to the Services which are necessary to determine the reasonableness of such expenditures or to avoid the effects of such event to the extent possible.

If a party to a transaction fails to perform its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is caused by any breach on the part of Elsevier; AND (ii) NEITHER PARTY SHALL BE RESPONSIBLE for death OR PERSONAL INJURY OR FOR THE PROPERTY DAMAGE OR DESTRUCTION OF ANY PERSON’S PERSONAL PROPERTY CAUSED BY ANY BREACH OR DEFAULT OF THE OTHER PARTY. AND (iii) THE CLIENT’S LIABILITY FOR DIRECT AND INDIRECT DAMAGES ARISING FROM THE TC IS LIMITED TO THE AMOUNT PAID BY THE CLIENT FOR THE SERVICES provided that such payment is not in excess of the amount paid by the Client to Elsevier for the Services provided by Elsevier and is less than the amount actually remitted, at the Client’s option, to the Client and the amount remitted, at the Client’s option, to the Client.

The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations. The Client agrees to indemnify and hold Elsevier harmless from and against any liability, costs, or expenses (including, without limitation, reasonable attorneys' fees and costs of investigation) incurred by Elsevier in connection with any investigation, proceeding, or action brought or threatened against Elsevier, resulting from any breach of the Client’s representations or warranties;

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and any rules or regulations or industry codes or any rights of any third parties including, but not limited to, infringement claims or any claims for breach of any contracts or any claims for breach of any warranties or any claims for breach of any agreements.

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or in its affairs, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier in the event of any privacy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of the sale of the Products or Services, paying all federal, state, and local taxes due for such sales, and appropriately remitting all such taxes to the appropriate taxing authority. The Client shall, in its sole discretion, be entitled to request any information, documentation, and records related to the Services which are necessary to determine the reasonableness of such expenditures or to avoid the effects of such event to the extent possible.
