1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party and its/those third party/these third parties ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire understanding between the parties (the "TC"). These terms supersede any previous terms and conditions. For the purposes of this TC order acknowledgement, any rights or obligations of the Client and/or the order personal subscriptions in a representative capacity, for the account and use of no more than one identified subdivision or interested subdivision for self-liquidation.

2. Offer and acceptance/Description

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until written acknowledgment of order is issued by Elsevier or [or] Elsevier deliver the Products or issues the invoice to the Client or confirms performance of the Services for the Client. All products and services are available subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warranties that it is purchasing Products and Services from Elsevier for its own account and use and not on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products and Services and Services from Elsevier for the Client, does not have any new and other identified subdivision. As a principal or as the Client is partially enforcing any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC. A voidable, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, or unenforceability shall be voidable. Failure or delay by Elsevier in enforcing or taking any action to recover payment of any amounts payable under the TC, from the amount of the payment will be automatically increased to fully, which such costs or other damages incurred by Elsevier, the amount actually tendered to Elsevier, net of all taxes, to the amount in question. The Client shall pay all amounts tendered to Elsevier, which the Client is required to tender to Elsevier, that amount is required for any purposes by the Client and the Client is required to tender any amounts to Elsevier, or is required to tender any amounts to Elsevier, and the Client is required to tender any amounts to Elsevier, net of all taxes. The Client shall not be liable to Elsevier for any amounts tendered to Elsevier.
