Journal of Manipulative & Physiological Therapeutics

Overview

JMPT is dedicated to the advancement of chiropractic health care principles and practice. JMPT is the premier chiropractic journal and is indexed in Index Medicus.

A multidisciplinary board ensures that subscribers get the latest information on current developments in therapeutics, reviews of clinically oriented research, and practical information to use in clinical settings.

1. Applicability
Terms and conditions shall apply to all proposals, quotations and agreements made between Elsevier and any third party or its agent (“the Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgment, shall define the entire agreement between the parties (“the TC”). These terms and conditions are not intended to prejudice or limit the Client’s right to enforce any other terms and conditions which may be incorporated into any contract between the parties. Where general terms and conditions of business are proposed by the Client, these shall apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation.

2. Execution and modification of the order
Where Products or services are delivered as part of third party product or software such a sale may be subject to additional terms.
