American Journal of Obstetrics and Gynecology

Overview

Covering the full spectrum of the specialty, *American Journal of Obstetrics & Gynecology*, “The Gray Journal,” presents the latest diagnostic procedures, leading-edge research, and expert commentary in maternal-fetal medicine, reproductive endocrinology and infertility, gynecologic oncology, and urogynecology as well as general obstetrics and gynecology. It also publishes the annual meeting papers of several of its sponsoring societies, including the Society for Maternal-Fetal Medicine and the Society of Gynecologic Surgeons. Original Research Articles and Clinical Opinions are published in two forms: an extended abstract in the print journal and the full length version of that article online in the Web version of the *American Journal*.

Specifications

**File Format**

**PDF or PDF/X-1a compliant files, saved as PDF version 1.3.**

Transparencies within the supplied PDF(s) will be warned. The transparent elements contained in your file(s) must be converted within the native layout application or flattened in Acrobat using the High Resolution Flattener Presets to avoid overprint issues.

Saving your PDF to Acrobat 4 (PDF 1.3) compatibility will ensure transparent elements are flattened. If the ad contains spot colors that are not converted to process colors (CMYK) before flattening, overprint and/or trap issues may occur.

The following layout applications yield the optimum results for creating a print-compliant PDF and are expected to follow all requirements listed in this document:

- InDesign version 2 or higher (CS preferred)
- QuarkXPress version 6.5 or higher

Additional costs may apply if problems are encountered.

*NOTE: When using Adobe Illustrator it is preferred to have all fonts converted to outline/paths, and files submitted as EPS files.*

**Images**

All high-resolution images and fonts must be included. TIFF & EPS files must conform to the following minimum resolution specifications:

- Grayscale and Color images: 300 dpi
- Combination Grayscale and Color images: 500-900 dpi
- Line art (Bitmap) images: 900-1200 dpi

Higher image resolutions are acceptable as they exceed the minimum requirements, but in some cases unnecessary resolution will be discarded to achieve smaller file sizes.

**Fonts**

Use of PostScript Type 1 fonts is encouraged. Include fonts for any embedded graphics. DO NOT use Type 3 or Multiple Master fonts. Avoid using Macintosh menu-stylized fonts, Macintosh “city” fonts (Chicago, Geneva, etc.) and Microsoft Outlook fonts (Tahoma, Impact, etc.).
Page Layout

Regardless of the file format supplied, all ads must conform to the following specifications:

- Final size must meet journal trim size and include 1/8” bleed image on all four sides.
- Files will include trim marks with a minimum 3/16” offset.
- No content is to be within 1/4” of all trim edges.
- Supply as single page files only.
- Right Reading, Portrait Mode, 100% size, No Rotation.
- All fonts and graphics must be either embedded or included with the files and conform to the format type listed above. Images must also conform to the specifications above for minimum image resolution.
- All color ads should be supplied as composite files.
- Reverse type should be no less than 6pt. Fine lettering (thin lines, serifs) should be restricted to one color.
- Embedded images should not be scaled, cropped/masked or rotated within the page layout application but instead should be manipulated in a proper image editing program (e.g., Photoshop) and then imported into the page layout program at proper size and position.
- DO NOT nest EPS files within EPS files.
- All lines and line art images should be of a minimum 1/3 pt thickness (1/2 pt for reverses) at final size to reproduce effectively on press.
- Crop marks and SWOP color bars must be included and positioned 1/2” outside trim.

Color Space

All color images and files are to be supplied as CMYK with a Total Area Coverage (TAC) not to exceed 300% for the darkest area of an image. Files supplied as RGB will be automatically converted to CMYK.

Spot Colors

Spot colors are to be identified using the standard Pantone naming convention and not a custom color such as “Dark Blue.” PMS colors will be converted to process unless otherwise specified. When using both art and layout programs be sure spot color naming is consistent in all applications (e.g., Do not define both PMS 201CV and PMS 201CVC). Any non-intended spot colors will be converted to CMYK.

Trapping and Screening

Overprints and knockouts should be defined. Files are NOT to be trapped or prescreened. Our Prepress service provider will use industry recognized trapping software to auto-trap your files for optimum performance and reproduction on press and will apply the appropriate screening. Note that these trap settings may force small text and fine graphics to overprint to hold registration on press.

Proofs

If submitting a proof for color match on press, please send a SWOP-certified contract color proof (with SWOP proofing bar or GATF proof comparator), produced from the final submitted file and imaged at 100% scale. Revised proofs must be supplied whenever a text or design change is made. For a list of current SWOP-approved proofs visit https://idealliance.org/systems-certification/certified-hard-copy-proofing-systems/. Desktop inkjet printer proofs do not meet SWOP specifications. Elsevier cannot guarantee color match unless acceptable proof is provided. If a contract proof is not supplied Elsevier will run to standard ink densities and dot gains.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability

These terms and conditions shall apply to all proposals, agreements made between the Client and Elsevier for each and every third party service or product and to any third party service or product ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the TC"). They supersede any previous agreement, undertaking or understanding other than those contained in the GTC, and shall govern the relationship between Elsevier and the Client. Any order acknowledgment by Elsevier in writing shall be deemed an order acceptance by Elsevier and constitutes a binding contract between Elsevier and the Client. In the event that the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of the cancellation.

2. Offer and acceptance/Description

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to Elsevier to supply the Products and Services. The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the jurisdiction of the courts of that country for the resolution of any dispute arising out of or related to the Advertising Content or Client's breach or alleged breach of any of the foregoing representations. Any clause which is not consistent with Elsevier's standards. In addition, Elsevier shall have the right, at any time, to remove or discontinue advertising or remove content (the "Advertising Content"). Client represents and warrants that (i) Client holds the necessary rights for the display or use of the Advertising Content; and (ii) the Advertising Content complies with any applicable laws, rules, industry codes, regulations and generally prevailing custom and practice.

3. Execution and modification of the order

No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client. Any representations about the Products and Services shall be effective unless expressly agreed in writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraud or fraudulent misrepresentation.

4. Prices, taxes and currencies

All prices quoted by Elsevier are exclusive of any taxes, import duties or other levies imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Client shall provide to Elsevier its VAT registration number or other tax identification number. Except as otherwise agreed in writing, no returns of the products shall be subject to the relevant Elsevier company’s return policy. The Client shall return products to Elsevier in the original packaging within a reasonable time of receipt of the Products. Reprints cannot be returned once they have been printed.

5. Compliance with laws

(a) The Products and Services are to be delivered to the Client as described in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If at the request of the Client, Elsevier reads additional information on the TC TO WHICH THE LIABILITY ARISES. TO THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS ELSEVIER EXPRESSLY EXCLUDES ANY LIABILITY FOR ANY LOSS, DAMAGE, CLAIM OR CAUSE OF ACTION, INCLUDING REASONABLE LEGAL FEES AND EXPENSES INCURRED BY ELSEVIER, ARISING OUT OF OR RELATED TO THE ADVERTISING CONTENT OR CLIENT’S BREACH OR ALLEGED BREACH OF ANY OF THE FOREGOING REPRESENTATIONS.

6. Distribution

The Client that is responsible for the display of the Advertising in compliance with the contracts and agreements with its third parties is responsible for the display or use of the Advertising. Client shall be solely responsible for advertising or reproduction of the Advertising in compliance with the contracts and agreements with its third parties and shall be solely responsible for the regularity of payment of the fee to Elsevier. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client.

7. Intellectual property

The Client shall report any infringement of Elsevier’s intellectual property rights. Client shall not alter or destroy any original form of the Advertising except to the extent that it is necessary to use it on the Products or Services. If the Client wishes to dispute any invoice or part thereof, the Client shall, as soon as reasonably practicable, but no later than the due date of the invoice, provide Elsevier with a full breakdown of such dispute in writing. Elsevier shall have the right, at any time, to remove or discontinue advertising or remove content (the "Advertising Content"). Client represents and warrants that (i) Client holds the necessary rights for the display or use of the Advertising Content; and (ii) the Advertising Content complies with any applicable laws, rules, industry codes, regulations and generally prevailing custom and practice.

8. Liability and claims

(ii) refund to Client a pro rata portion of the fee which Client has paid to Elsevier for display of the Advertising or refund to Client in full of all payments due under the TC without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Client has a valid Court order requiring an amount equal to such deduction to be paid to Elsevier. From the date of the invoice to the due date of payment in full, interest at the rate of 5% per annum in any currency prevailing in the territory in question (the "Closing Date"). Where copy is received late or not at all, although Elsevier will endeavour to do so, it will not be responsible for any loss that may arise.

9. Force majeure

The Client shall not be responsible for any delay in providing the Products or Services due to any cause beyond its reasonable control, including but not limited to any governmental act or order, war, armed conflict, civil or political disturbance, embargo, strike or lockout, act or omission of any third party, act of God or other event or occurrence beyond the Client’s control. The Client shall not be responsible for any delay in providing the Products or Services due to any cause beyond its reasonable control, including but not limited to any governmental act or order, war, armed conflict, civil or political disturbance, embargo, strike or lockout, act or omission of any third party, act of God or other event or occurrence beyond the Client’s control.

10. Advertising & Reprints

11. Applicability of taxes

Where Products are supplied to the Client under the TC, all payments due under the TC without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Client has a valid Court order requiring an amount equal to such deduction to be paid to Elsevier. From the date of the invoice to the due date of payment in full, interest at the rate of 5% per annum in any currency prevailing in the territory in question (the "Closing Date"). Where copy is received late or not at all, although Elsevier will endeavour to do so, it will not be responsible for any loss that may arise.

12. Compliance with laws
